

Double Coupon Savings

Every Day, Every Week!

**Double Bonus On
Manufacturer Coupons**

45¢ off + **45¢ = 90¢**
Manufacturers' Coupon From Weis Total Savings!

With a \$10.00 purchase and purchase of the product, we will redeem at DOUBLE face value manufacturers' coupons appearing in newspapers, magazines, received in the mail or in packages, providing that the following rules are followed. Coupons up to 50¢ in value will be redeemed for double value, coupons that have a face value of 50¢ to \$1.00 will have a \$1.00 maximum redemption, and coupons that have a face value of over \$1.00 will be redeemed at face value. If total savings of the coupon exceeds the price of an item, refunds for the difference will not be given. Coupons for free items and cigarette coupons are exempt from this program. Any coupons appearing in the advertisement of any other retailer will not be redeemed. If a manufacturer's coupon item becomes temporarily out of stock, a customer courtesy slip will be available so you can get DOUBLE savings on that item in the future. To insure product for all of our customers we are limiting "Double Coupon" offers to one coffee coupon (one instant and one ground coffee) per shopping family. Additional coupons will be redeemed at face value.
