Come in and see our Matchbox Car collection. Thanks to relatives of staff members, we have 102 of these fine metal cars in our display case for this month. There is a corner with all the farm equipment to which we have added a haystack; there is a mountain with the shiny passenger cars; we have a platform with many of the delivery trucks displayed on; and a section of racing track with the racing cars. There are a few special larger antique cars and a group of army equipment; plus many wreckers carrying some of the much-loved special cars that look slightly used. These are the special matchbox cars made by Lesney in England. These cars have been loaned to us by Richie Rudolph, Mark Oley, James Lork, Mark Koprovski, and Cliff and Glen Kozemchak. Many of these cars are at least

Huntsville Church lists Holy Week services

On April 16, Maundy Thursday service will be held at 7:30 p.m. at the Huntsville Christian Church. The public is most cordially invited to attend this very special and meaningful candlelight service of Holy Communion, Bible readings, meditations, and special music presented by the choir. The congregation enters and leaves the sanctuary in silence, as they remember the Lord's last supper with His disciples. Beginning at 8 a.m. on Saturday, April 18, and continuing through 8 a.m. on Easter morning, April 19, members of the congregation of Huntsville Christian Church will be participating in a 24-hour Chain of Prayer. During this 24-hour period someone from the congregation will be at the church at all times to participate in Bible reading, prayer, and

20 years old. This is a really neat display! The American Diabetes Association has donated a copy of their new "Family Cookbook" to the library. It includes recipes which will enable everyone--diabetics and non-diabetics--to eat nutritionally, sensibly and deliciously. This book can be borrowed from the library. The newly formed Collector's Group will meet for the first time on Wednesday evening, April 29 at 7:30 p.m. in the library annex. Interested collectors are welcome to attend. The Book Club will hold it's April meeting in the library annex on Monday afternoon, April 20 at 1:30. Mrs. Crump will preside at the business meeting. Guests are welcome. New books at the library; "Stephen King's Danse Macabre" is the author's analysis of horror--as a moving, rhythmic search...fo-

r...the place where we live at our most primitive level. This is a personal, one-on-one exchange of ideas on good, bad, great and awful excursions into horror! "Her Side Of It" by Thomas Savage is a magnificently observed and beautifully written novel which portrays the life of an American woman artist--a novelist who saw beyond the apparent surfaces of human existence, but whose uncompromising vision failed her in the end. "The Birde Of Lowther Fell" by Margaret Forster is a powerful romance in the gothic tradition. A woman with a newly orphaned teenage nephew is forced to reassess her position as a single woman and to change radically the kind of life she has chosen to lead. A difficult situation. "What's in it for me?" is a question we ask ourselves untol thousands

of times in our life. Let's ask the same question about the Back Mountain Memorial Library. The answer depends on our individual needs, tastes, and desires. There's fiction to whisk us anyplace in the world of makebelieve; there's poetry to inspire and to

savor; the non-fiction to pass on to us the knowledge of the world's greatest minds. You'll never know "What's in it for me?" until you make an on-the spot investigation of the resources at your library. Why not try us today? We'll welcome you!

**Help the Dallas Area Fall Fair Assn. Raise Funds for Community Service, Primarily Medical Programs to Benefit Back Mt. Residents**

**SUBSCRIBE TO THE DALLAS POST**

\$2 of your \$9 subscription will be donated by the Post in your name to the Dallas Area Fall Fair Assn.

The Fall Fair was initiated for the purpose of raising funds for community service, primarily medical programs to benefit Back Mountain residents. Funds from past Fall Fairs were a major factor in the purchase of the Mobile Intensive Care Unit for the area and construction of the new Back Mountain Medical Center. The Fair is the only source of income to help maintain the MICU and the medical center.

The Fall Fair Association also plans to develop a new park facility and future development of the new fair site on the grounds adjacent to the medical center.
