Kingston Township Supervisors  
Kingston Township, Pennsylvania  
We have examined the consolidated balance sheets of the various funds of Kingston Township, Pennsylvania, as of December 31, 1980 and 1979, and the General Fund statement of cash receipts and expenditures for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.  
The consolidated balance sheet includes those assets which are customarily shown for municipalities, noting particularly that no amount is reflected for physical properties nor any related provision for depreciation thereon. In our opinion, except for the effect of not including physical property and related depreciation as noted in the preceding paragraph, the accompanying consolidated balance sheets present fairly the financial position of Kingston Township, Pennsylvania, at December 31, 1980 and 1979. Furthermore, it is our opinion that the statement of cash receipts and expenditures present fairly the cash transactions of the General Fund of Kingston Township, Pennsylvania, for the years ended December 31, 1980 and 1979.
