

L-N Sportsmen set Rattlesnake Roundup

The Noxen-Monroe Sportsmen Club will hold its 9th annual Rattlesnake Round-up on June 19, 20, and 21, at the Club Grounds, Noxen. Proceeds from this annual event are used to operate the Club's co-op trout hatchery in conjunction with the Penna. Fish Commission.

Highlights of last years hunt drew contestants from an eleven state area, providing a field of hunters numbering close to a hundred strong. Seventy-two snakes were captured, without harm to the snakes or hunters. Trophies were awarded for the snake having the most rattles, the largest, the smallest snakes, and the contestant capturing the most snakes. In compliance with the rules and regulations of the Penna. Fish Commission, all snakes were returned to their natural habitat, unharmed, at the conclusion of the hunt.

Lew Hackling Jr. and Shawn Murphy, report the club grounds will be open at 4 p.m., Friday the 19, until the close of the hunt at 7 p.m. Sunday the 21. Games, food and refreshment will be available on

the grounds. Bluegrass music provided by the "Back Mountain String Band" on Friday and Saturday evenings.

A number of local arts and craft exhibits will be displayed. There are still a few rental plots available. Contact Lew Hackling at 717-298-2014 for additional information.

All rattlesnakes captured will be on display to the public in a separate fenced in area known as

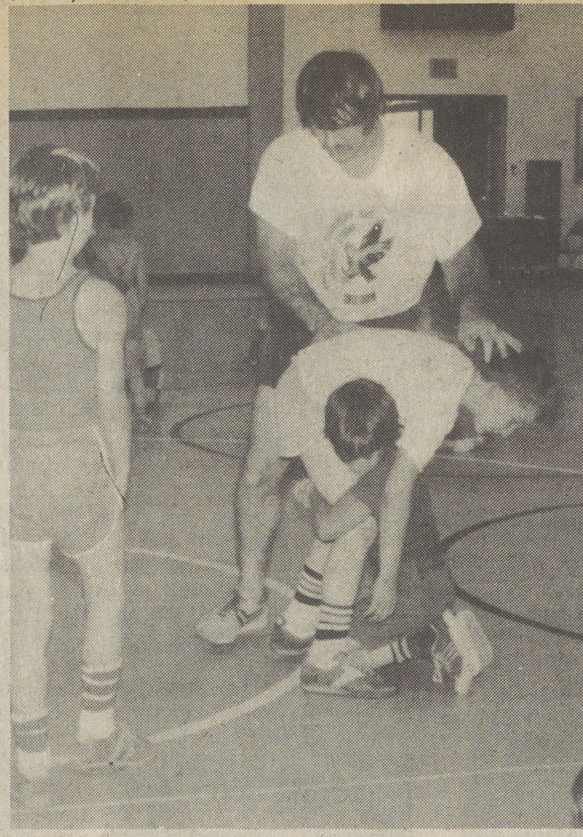

the "Pit Area" during the hours of 10 a.m. to 6 p.m. Bleachers have been provided overlooking this area, which is closed to the public for safety and enjoyment.

Contestants wishing to participate in the hunt may register at the Club House starting at 4 p.m. Friday. Rules of the hunt are:

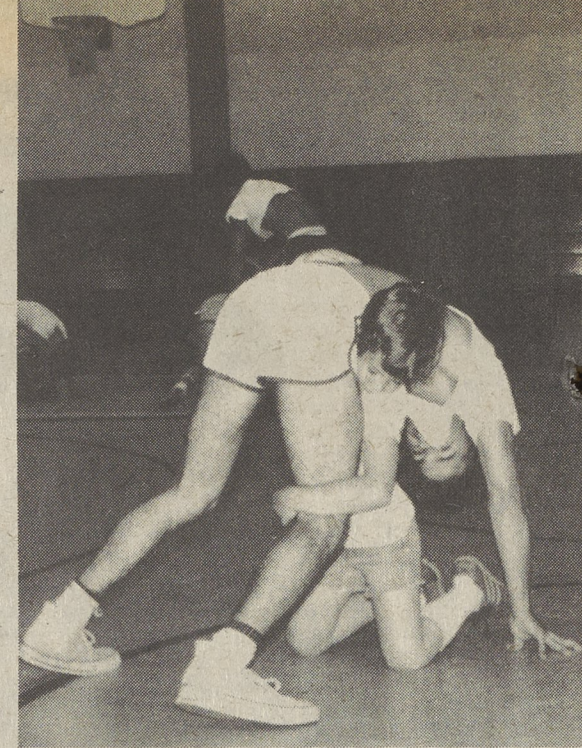

- All contestants must be of sound mind and body.
- All snakes must be captured unharmed.
- 3.

All snakes become the property of the Noxen-Monroe Sportsmen Association and will be released to their natural habitat in compliance with the laws of the Penna. Fish Commission.

- Uncaged snakes may not be transported to the Club Grounds at any time.
