

L-L school store gets ok

At the August board meeting of the Lake Lehman Junior High Parents Teachers Students Association, plans were made to order and stock merchandise for the opening of the new "School Store" in the Junior High building.

Ways and Means Chairman, Shirley Weidner, announced items that will be sold in the store include pencils, pens, erasers, one subject notebooks, three subject notebooks, filler paper,

gym shorts and baseball shirts imprinted with Lake-Lehman, Lake-Lehman bookcovers, Lake-Lehman mugs, black and gold pom-poms, and various other items.

"These items will be available for student purchases beginning the first week of school," said Mrs. Weidner. "A complete list of all items carried in the store and prices will be announced at a future date."

The store will be housed in the Junior High

building and will be open one half hour before school begins each morning and close five minutes before classes are started. It will also be operated during the students' lunch break.

Any parent who wishes to volunteer a few hours to work in the store is asked to contact Mrs. Weidner.

A contest to choose a suitable name for the PTSA store will be conducted beginning on opening day of school. All students at the Junior

High will be eligible to participate. The student submitting the winning name will be given a merchandise certificate to be used in the store.

The store will serve as the principal fund raiser for the PTSA while at the same time offering a service to the students at Lake-Lehman.

"We urge all students and parents to support this worthwhile project," said Mrs. Weidner. "Proceeds will go toward

funding the various activities sponsored by the PTSA throughout the year."

Successful projects conducted by the PTSA last year included: Color Day, a Halloween Dance, a Christmas Dance, Science Fair, Awards Night, and an all day Activity Day the last day of school.

The first PTSA meeting will be a Get Acquainted Tea held on Sept. 21.

WATCH THE BIRDIE seems to be what this bull is doing, but the rider has other thoughts as he demonstrates his rodeo style in preparation for Irem Temple Championship Rodeo this weekend. The three-day event begins Friday, Aug. 14 at 8 p.m. at Lehman Horse Show Grounds. Saturday shows are 2 and 8 p.m., and 2 p.m. on Sunday. Bill Dixon, Chief Rabban, is rodeo chairman, assisted by the Irem Circus Committee.

Meadows near completion

For some Back Mountain elder citizens, the promise of a "modern, comfortable and affordable" place to live is close at hand. At the regular monthly meeting of the Dallas Township Board of Supervisors,

Ray Condo, representing Eccumenical Enterprises Inc., announced that in late September and early October, letters will be sent to those who applied for a formal application to The Meadows.

The Meadow is a

county, State and federally-assisted project for housing the senior citizens of the area. Those in the Back Mountain area will receive first chance at the 120 apartment complex.

According to Condo, everyone isn't eligible. Applicants must be 62 years of age, (either spouse) within the specified income range, physically able to live in an apartment atmosphere, be able to pay the prescribe rental (25 percent of monthly income) and have a good credit rating.

Approximately 10 percent of the rental will go for the physically handicapped. It is requested that those who have their names on file with EEL

wait for applications to be mailed to them and appointments will be set up for a formal inspection of a model apartment and the entire facility. This will be approximately late September or early October. Occupancy is expected in December, 1981.

Doug Trumbower, representing Smith-Miller & Associates architects, presented the tentative plans for the 700,000 gallon pond which will service the complex sprinkler system and provide water for fire protection. This project will take three phases, cost about \$140,000 at today's prices and more as time progresses. Each month's delay will cost an additional one percent,

Trumbower stated.

First phase will include the rerouting of the present stream. It is hoped that work will start in the near future. This project is being financed by Luzerne County Office of Community Development, \$30,000; Dept. of Commerce, \$50,000 and EEL, \$60,000.

Dallas Township supervisors instructed their solicitor, Frank Townend, to draw up the necessary papers to initiate this project and submit them to Gary Lamont from LCCD.

The nursing home for The Meadows will hopefully be constructed in the near future.

The township board regretfully accepted the resignation of Patrolman Jeremy Torr a former CETA worker who has been acting as a part time desk clerk since his CETA time ran out. Patrolman Torr has accepted a position with the Baltimore Police Dept. and will leave Dallas Township, Aug. 7.

People in the news

JAMES T. WALLACE, son of Carol Wallace of RD 1, Dallas, has been promoted in the U.S. Air Force to the rank of airman first class.

Wallace is an aircraft fuel systems mechanic at Ramstein Air Base, West Germany, with the 86th Equipment Maintenance Squadron.

PVT. SEAN M. MCLAUGHLIN, son of Mr. and Mrs. Edward M. McLaughlin of 187 N. Pioneer Ave., Shavertown, has completed a multichannel communications equipment operator course at the U.S. Army Signal School, Fort Gordon, Ga.

DAVID SCHOOLEY, Shavertown, is a new member of the Greater Wilkes-Barre Chamber of Commerce, according to executive director **JOHN SHEEHAN, JR.**, a Dallas resident.

Navy Seaman Recruit **Larry J. Haymacher**, son of Steve Haymacher of R.D.3, Dallas, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job

training in one of the Navy's 85 basic occupational fields.

He is a 1972 graduate of Tunkhannock Area High School, Tunkhannock.

Navy Mess Management Specialist Seaman Apprentice JOHN S. SEGRAVEDALY, son of Arthur M. and Betty J. Segravedaly of 66 Perrin Ave., Shavertown, Pa., recently returned from a deployment to the Mediterranean Sea.

He is a crewmember aboard the amphibious ship **USS Iwo Jima**, homeported in Norfolk, Va.

The Iwo Jima is 592 feet long and carries a crew of 528. It is designed to transport assault forces for amphibious operations and normally embarks a Marine battalion landing and helicopter squadron during a deployment.
