Dallas resident James Aikman, director of development for Wilkes College, will be coordinating the 1982 Wilkes College Annual Campaign to raise scholarship funds. The theme "America's energy is mindpower" is a national program recognizing the contribution of higher education to society. Aikman discusses timetables with Frear Scovell, campaign vice-chairman and Rosalae Brader, division leader.

Oh the joys of winter!

In spite of the severe driving conditions following the first storm of the season last week, this was the only accident reported in Dallas Township. Mark Howell, 16, of RD 3, was traveling on Upper Demunds Road when his car skidded and collided with an apple tree. There were no injuries, but the car was severely damaged.

Accident after accident...

Michelle T. Bedwick of 10 Birch St., Wilkes-Barre was driving her 1973 Pinto last Thursday on East Center St., when she claimed to have skidded on a patch of ice.

Bedwick was traveling east when she turned into a curve, lost control and crossed over two lanes, traveled for a 120 feet, and came to rest against a utility pole.

The Kingston Twp. police said they found no ice on the roadway at the scene of the accident.

Henry Vanhorn of 36 Belford St., Shavertown, and Marguerite N. Sutliff of Noxen, were parking their cars in the lot at Rave's Nursery when they collided last Wednesday. The Kingston Twp. police issued investigation receipts to both parties.

Rinaldo Di Guiseppe of Shavertown was driving his 1976 Datsun the day of the season's first winter ice storm, when he skidded on an ice section of Huntsville Road.

After he rounded a curve, he skidded several feet then hit a dry spot on the pavement. The vehicle turned over onto its roof and landed in a ditch.

The Datsun was put back onto its wheel with the aid of a wrecker and drove away from the scene, according to the Kingston Twp. police.

Nancy Hadley of 42 Hartford St., Shavertown, was driving her Pontiac on Tuesday, the day of the season's first ice storm, when she

skidded on an ice section of Hartford St.

According to Kingston Twp. police Ptlm. Walter Davis, Hadley turned her steering wheel, but the car kept going straight and hit a guardrail.

Elsie Grandsen of RD 6, Dallas,

\$13,500 loan to aid ambulance assoc.

The State Emergency Management Agency has approved a \$13,500 loan to aid Kingston Township Ambulance Association, according to Senator Frank J. O'Connell, R-20 and Representative Frank Coslett, R-120.

The loan is provided at low interest through the Volunteer Loan Assistance Program, created by the General Assembly in 1975 to aid

was driving her 1973 Oldsmobile on Route 309 near Pioneer Ave., and slid into a 1981 Subaru operated by William F. Koons, 54 Carverton Rd., Trucksville, last Tuesday.

According to the Kingston Twp. police, the section of Rt. 309 from West Center St., to the "Rock Cut" section was so icy that no traffic was able to move for hours.

volunteer fire, rescue, and ambulance squads who wish to upgrade their equipment for the community good.

The loan will be used to refinance the construction of the ambulance facility.

Final settlement for the loan is scheduled for December 10, at 1 p.m. at the ambulance building.

News Briefs

Harveys Lake Borough has received \$15,300 from the federal revenue sharing program. Most of the money will be spent on road repairs.

Dallas Township has proposed a budget of \$493,600 for 1982. The 1981 six-mill real estate tax remains the same for the new year. The budget is scheduled for adoption December 21.

Three inmates at the State Correctional Institution at Dallas

allegedly assaulted two guards last week. The inmates were placed in the restrictive unit after being subdued. The two guards were treated at the prison and at Nesbitt Hospital.

Joseph F. Gronski, RD 2, Dallas, pleaded guilty to 18 counts of theft, nine counts of burglary, six counts of receiving stolen property and one count of criminal conspiracy in Criminal Court last week. Gronski was continued in \$10,000 bail.

Commission issues 14 citations

BY GLEN HOFFMAN

To date, some 375 antlered deer have been killed by hunters in the Back Mountain area. But the amount of deer killed, as well as the number of hunting violations reported, should decrease as the hunting season continues.

"The first three days of the hunting season are the roughest," said Ed Gdosky, Game Commissioner. "The number of violations are the greatest at the beginning of the season than during the middle and end when the number of hunters in the forest decreases."

The most frequent violation this season so far is the rule which states that a hunter must tag his deer immediately after he kills his prey.

"So far, the Game Commission has issued 14 citations to hunters for untagged deer in their possession," said Gdosky. "One tag comes right with the hunting license at the time of purchase. The tag must be taken off the license and tied onto the dead deer, otherwise the hunter will be cited."

The second most violated hunting rule is the law that prohibits a gun to be loaded while being transported in a vehicle.

"The Game Commission has issued nine citations to hunters who were caught with guns that contained bullets, while the guns were being transported in their vehicle," said Gdosky.

Four additional top hunting rules are enforced by the game commission. Hunters must show their hunting license to land owners while hunting on their property. Hunters are allowed to take only one deer per season. Semi-automatic guns are not allowed to be used in shooting deer. Non-resident of Luzerne County are not allowed to hunt with a resident's license. Hunters are not allowed to shoot a doe during buck season.

"There have been numerous violations of the rules," said Gdosky, "but I am happy to report that there have not been reports of injuries or deaths of people."

Warming up for Christmas

SARA BETH GORGONE is all smiles as she sits on Santa's lap at the Christmas Store sponsored by the Dallas Junior Woman's Club. (Mark Moran Photo)

AMY AND TARA JONES display their candy canes which they received at the Junior Woman's Club Christmas Store. (Mark Moran Photo)

NANCY JO AND KIMBERLY ANN BARBER sit on Santa's lap and tell him what they want for Christmas during their shopping at the Junior Woman's Club Christmas Store last Saturday. (Mark Moran Photo)

SHAUNA GRIFFIN and Tina Springer were two of the older girls at the Dallas Junior Woman's Club Christmas Store but they still had a good time. (Mark Moran Photo)

Church breaks ground

Ground was broken Sunday morning at 9:45 for an addition to St. Frances X. Cabrini R.C. Church in Carverton. Taking part in the ceremony were members of the parish, together with Jason Prokopchak and Chris Lusheski, altar boys; Mrs. Mary Mikolaichik, Rev. Father Hugh McGroarty, pastor, and members of the church. In attendance at the ground breaking ceremony was Robert Mosely of Wilkes-Barre, contractor for the addition, and Thomas Gripe of Bear Creek, architect.

The \$200,000 addition is the first major improvement to the church since it was founded back in 1948, and is designed to set 200 people, allowing for the number of masses said on a weekend to be reduced from six to three.

In commenting on the new addition, Rev. McGroarty stated: "It's been a strain for everyone, who participates in Masses and church activities to maintain such an extensive Mass schedule simple because we could seat only a limited number of worshippers at one time, and the addition will both make all of our lives easier, and more importantly, allow us to worship together better as a parish."

St. Frances X. Cabrini Church is one of two churches in the parish, which serves some 300 families in Kingston and Franklin Townships, and at Blessed Sacraent R.C. Church in Centermoreland (Northmoreland Township) Wyoming County. Plans for improvements at the Centermoreland Church are currently under consideration.
