Lehman Boosters send out S.O.S.

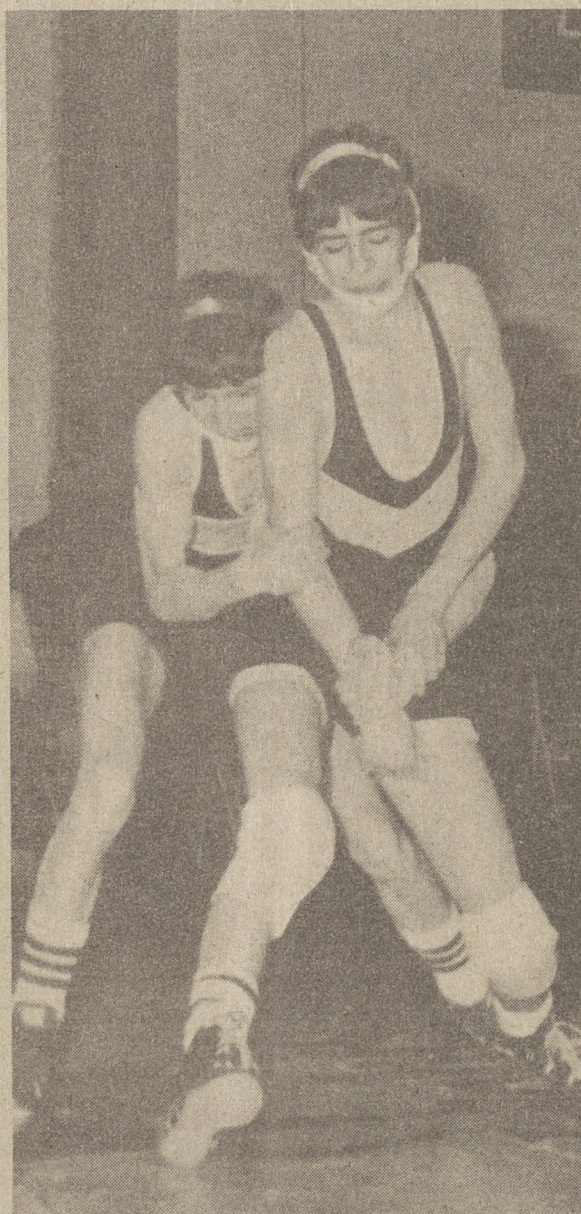

Walter Blejwas, the new president of the Lake-Lehman Area School Athletic Club, has an S.O.S. out for new members for that organization. The club meets the first and third Thursday evenings at 8 at the Castle Inn and Blejwas has issued a special invitation to all Lake-Lehman area residents to attend the next meeting on Thursday evening, Feb. 18. Help is needed if the club is to continue its extensive support of athletic activities in behalf of Lake-Lehman Area Athletic participants. The club has an especially varied menu in

its support of Lake-Lehman Area School athletes. Some of its support includes help for the golf, baseball, tennis, volleyball, field hockey, wrestling, football, field hockey, track and cross country athletics and extends also to the cheerleaders in Lake-Lehman schools.

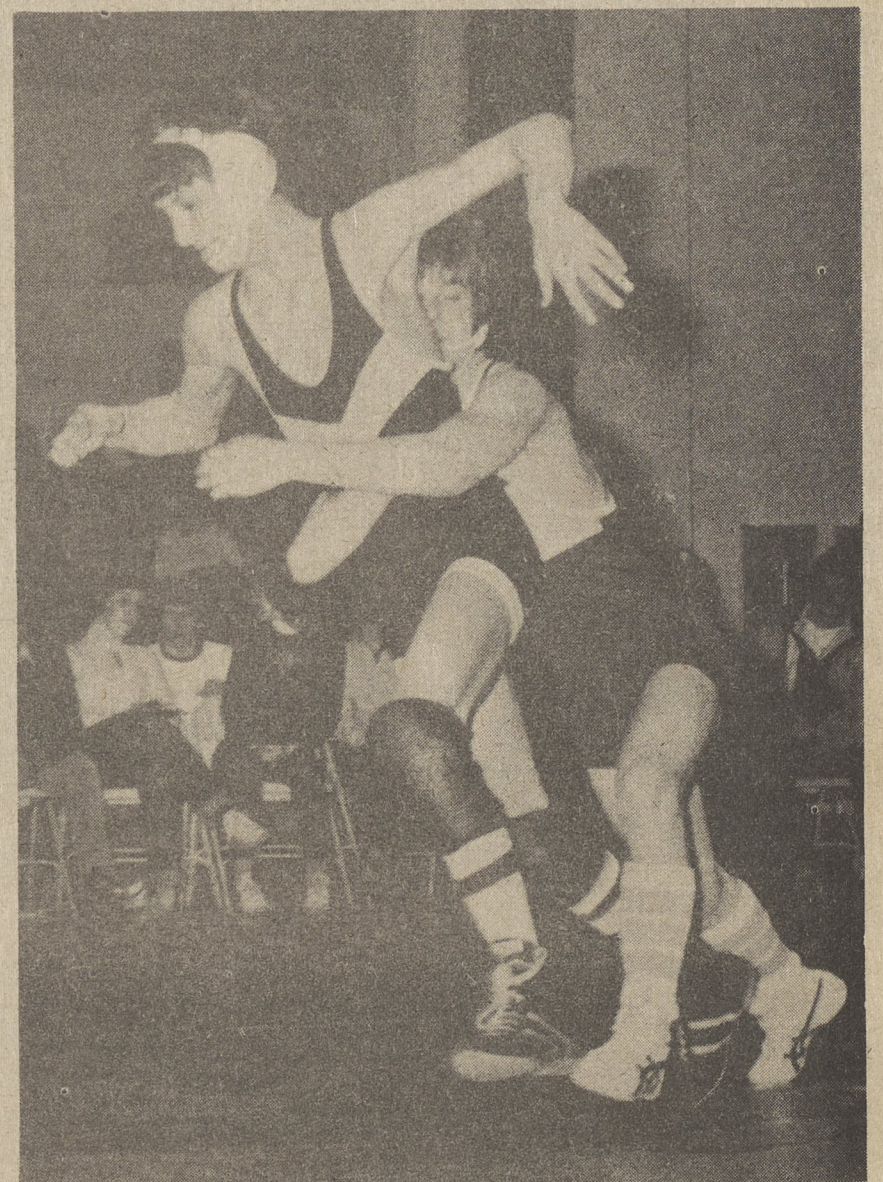

That support extends to aiding financially trips to camps and seminars by the school's cheerleaders; payment of part of the camp fees for athletes attending sports camps; presentation of individual trophies to those athletes that earn championships;

support of the school's athletic fund, sponsoring a refreshment stand at the stadium, manning the refreshment stand in the cafeteria for indoor sports activities, among other activities.

Plans were made at last week's meeting for a fund-raiser that will conclude on May 6. Tickets for the fundraiser will be available in about two weeks, Blejwas said. Harold Coolbaugh, immediate past president of the Booster Club, is chairman of the fundraiser, with Harold Wargo as co-chairman.
