"Don't tell us that miracles never happen. There's one happening right now."

"Only a few short weeks ago our new home was just a collection of mind-boggling drawings. Another three weeks and we'll be living here—thanks to Franklin First Federal Savings and Loan. Our savings plan at Franklin First Federal (they pay the highest rate allowed by law) took care of our down payment. And the mortgage plan Franklin First worked out for us is one we can handle."

There's a Franklin First Federal plan to help you have your miracle home. Call or stop in soon. There's a Franklin First Federal office near you.
