

POLICE REPORTS

JACKSON TOWNSHIP
Charges of hit and run were filed against an Edwardsville man last Thursday, June 24, in District Justice Leonard Harvey's office. Norman George Pearce, Beech Street apartments, Edwardsville, was arrested by Jackson Township Police Chief Donald Jones and Patrolman Bert Balliet following a general alarm search.

Pearce is alleged to have been driving from Hillside Road through the five corner intersection when he struck a vehicle waiting at the stop sign. Louise Schwartz, RD 5, Briarcrest was operating the stopped car. After impact, Pearce left the scene and quickly became the subject of a search. Both Luzerne and Edwardsville police assisted. Pearce was in custody within 10 minutes of the general alarm.

Neither Pearce nor the five passengers in his car were injured. Schwartz was badly shaken, but also uninjured. Both cars were severely damaged. The incident occurred at 11 p.m.

A Trucksville woman is reported to have fallen asleep behind the wheel of her 1976 Chevrolet Coupe at 3 a.m. on Friday, June 25 and knocked over seven mailboxes on Chase Road in Jackson Township. Beth Ann Stofila, 185 Meadowcrest Drive, was traveling north in the area of Zimmerman's Gas Station on Chase Road. Her vehicle left the roadway, destroyed the mailboxes, crossed into the southbound lane, struck an embankment and came to rest on the west berm. Stofila was injured and was able to drive her car from the scene. Patrolman Andrew Kasko investigated.

A Ford pickup truck came to rest in the creek off Hillside Road early Saturday morning, and two youths were treated at Nesbitt Hospital as a result. Jeffrey Lake, RD 1, Hunlock Creek was traveling west on Hillside when he ran off the road, struck several trees and rolled over into the creek. Lake was transported to the hospital by Jackson Township ambulance. A passenger in the truck, Barry Cornell of Lehman was taken for treatment by his father. The incident

occurred at 5 a.m. It was investigated by Jackson Township Police Chief, Donald Jones and Patrolman Andrew Kasko.

Francis James Scott, Kingston told police he fell asleep at the wheel early on Sunday morning, June 27, when his 1980 Datsun left Huntsville Road and hit several trees in front of the Rebennack residence. Scott was traveling east on Huntsville Road at 2:55 a.m. His vehicle crossed into the westerly lane and continued onto the north berm hitting the trees. Scott was uninjured. Jackson Township Patrolman Bert Balliet investigated. DALLAS TOWNSHIP

Dallas Township police arrested a Wilkes-Barre man early Saturday morning following a chase, on foot, in the vicinity of Route 415. Robert N. Montigney, 260 S. Main St., Wilkes-Barre, remains in Luzerne County Prison awaiting extradition by authorities from Florida.

Montigney is a fugitive from the Florida State Penitentiary since December 17, 1979. He was traveling through Dallas Township in a stolen car with four

juveniles accompanying him. He and one of the juveniles fled after they were detained by Dallas Borough Patrolman John Fowler.

Fowler stopped Montigney for traffic violations. He discovered the vehicle to be stolen during a registration check. He therefore charged Montigney with receiving stolen property and unauthorized use of a motor vehicle. Following a crime check, Dallas Township Police Chief Carl Miers added the charge of fugitive from justice.

Montigney, 26, was arraigned before District Justice Earl Gregory and lodged in the County jail in default of a total of \$75,000 bail.

Dallas Township Police are looking for leads in the theft of a tractor trailer and its load of resin which was taken sometime before dawn on Saturday, June 26, from the front of the residence of Conrad Welitchko, Lower Demunds Road. Welitchko was hauling the load, worth \$40,000 for Parksburg Trucking

Company, Parksburg, Pa. The tractor and trailer, valued at \$60,000 is owned by Landis Leasing Company, Wilmington, Dela.

A Dallas Township woman frightened off a would be burglar on Saturday when she entered her home and encountered him in the kitchen. Jane Morris, RD 1, Dallas, arrived home at about 11:45 p.m., June 26, and met the suspect as she entered the door. He

was described as a white male in his early 20's, 5'11" to 6'2" tall, 170 to 185 lbs., with light brown hair and dressed in blue coveralls.

An initial search of the premises showed that nothing was taken, but it was apparent that he was in the process of ransacking drawers.

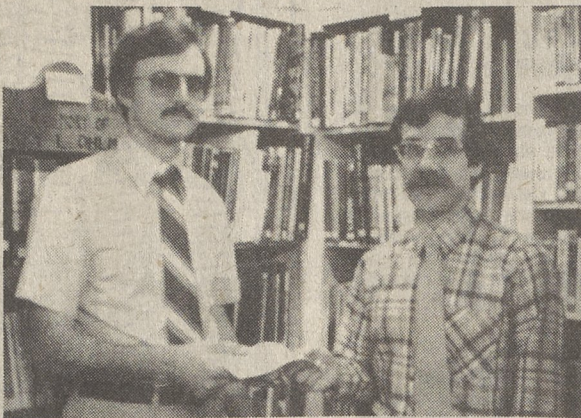

DALLAS BOROUGH
Dallas Borough Police are investigating a burglary at the Robo Car Wash on Route 415. The incident occurred some-

time before 8 a.m. on Thursday, June 24. It was discovered when the owner, Joseph Yenason, arrived to open for business. Yenason reported an undisclosed amount of cash taken from the cash drawer which had been stored in the office. Entry was

made through the door of the office.

Dallas Borough Police Chief Ed Lyons investigated a one car mishap on Huntsville Road on Monday. Marie Weir, 15 Jackson St., Dallas was traveling west when she was forced off the road-

way by an oncoming vehicle, riding in the center. Weir's 1978 Chevrolet coupe left the road and struck the guy wires of a telephone and power pole owned by UGI. The car then overturned. Weir was uninjured, her auto was towed to Wesley's in Dallas.

LIBRARY GIFT—Dallas Education Association celebrated the last day of the school year by presenting a check to the Back Mountain Memorial Library. The contribution was in appreciation for services rendered to students of the Dallas area and the community as a whole. William Roberts, left, vice-president of the Dallas Education Association makes the presentation to William Fredrick, head librarian.
