Bev Bunney contributes to Brownie Troop cookbook

This week, once again, Post readers have the opportunity to experiment with several of the recipes from Brownie Troop 641 Cookbook. Bev Bunney, whose daughter, Andrea, was a member of the troop, is sharing the recipes for Frosty Apricot Salad, Snowy Mashed Potato Casserole and Lasagne with us.

Bev's recipe for Frosty Apricot Salad is really something special. Combining apricots and crushed pineapple with apricot jello for the base, the salad is topped with a delicious frosty topping made by combining custard made with eggs, sugar and pineapple juice with thawed Cool Whip.

Cream cheese, sour cream, chives, butter and paprika flavor mashed potatoes in Snowy Mashed Potato Casserole. This is a nice potato dish to prepare when making a roast, since it can be baked right along with the meat.

Lasagne seems to be an all around favorite and Bev's recipe is no exception. After simmering the rich sauce for several hours, layer mozzarella cheese, ricotta cheese and freshly grated Romano cheese with lasagne noodles and sauce. Add garlic bread, salad and a bottle of wine for a dinner with a true Italian flare.

Bev says all these recipes are really tried

and true family favorites. She enjoys cooking and baking, especially desserts. Andrea also likes to cook and in her mom's words, "is really a big help."

Bev, her husband, John, and their daughter live in Meadowcrest Manor, Chase. Both John and Bev are graduates of Lake Lehman High School. Andrea will be a fourth grade student at Lehman-Jackson Elementary School in September.

Bev, a graduate of College Misericordia, has been a teacher at the Dallas Borough School for 12 years where she teaches second grade. John is an employee of Proctor and Gamble, Mehoopany.
