Winter Carnival - fun for everyone

Over 1000 children, parents, and friends of the Dallas Township Elementary School were delighted by an afternoon of shopping, fun, games, and abundant holiday spirit. The scene was the 3rd Annual Winter Carnival sponsored by the Dallas Township School P.T.O.

The carnival, held in the school's gymnasium, was the result of months of preparation by P.T.O. members under the guidance of chairman Jackie Downend, and co-chairman Jan Waligorski.

Hundreds of hand-crafted items were sold as Christmas gifts at the children's "Corner Shoppe" and the adult Christmas store.

There was a white elephant table featuring used articles, books, and plants, and a bakery shop

with all kinds of baked goods, jellies, and canned goods.

Children enjoyed such games as Comet's Pins, Smurfs Nerf, Blitzen's Basket, Elf's Shuffle, and an exciting new game to this year's carnival, E.T.'s Walk.

Other very popular additions to this year's attractions were the face-painting booth, game room for Mommys and Daddys with such prizes as Daring's Gift Certificates, Dinner for two at Mill Creek Farm, and a camera.

Also new this year were ruffles for a ceramic Christmas Village donated by Millie Robinson and family, Gingerbread house donated by Joanne Freeman, and an afghan donated by Mrs. Alice James.

Cartoons were shown throughout the day, and lunch and refreshments were served in the cafeteria.

Of course, Santa joined in the festivities, and pictures of the children with Santa were taken by the Back Mountain Jayettes.

Chairman of the various booths and activities were games, Priscilla Liput; baked goods, Lynn Romano; white elephant, Marsha Paczewski; children's store, Pat Jones; refreshments, Jean Utter; movies, Jeff DePolo; face painting, Cheryl Wagner; Ticket booth, Barbara Meade; Publicity, Nancy Delinsky and Elaine Moran.

President of the Dallas Township School P.T.O. is Kathy Jesse.

Donnie and Beth Hartshorne were among the many youngsters who enjoyed playing games for prizes at the Annual Dallas Township Winter Carnival. Games were available for all age groups and everyone came away with a prize and a smile.

Lake-Lehman receives preregistration certificates

Dr. Joseph Skok, representative of the Pennsylvania Department of Education, recently visited Lake-Lehman School District where he represented Dr. Robert Scanlon in presenting to

the district, certificates of pre-registration for the state-wide school improvement program.

Dr. David Preston, superintendent of the Lake-Lehman School District, accepted the

certificates on behalf of the board of school directors and acknowledged the efforts of the teachers in the school improvement project.

The certificates were the result of the acceptance of

the district's long-range plan for school improvement and is the first step in the department of education's school registration process.

John Oliver, assistant principal, headed the

district's long-range planning committee. R. Arnold Garinger, member of the school board, served as liaison with the committee.

Dr. Preston, in commenting on the certificate of pre-registration, said "These certificates are symbolic of Lake-Lehman's continuing commitment to our taxpayers and students. Our teachers have done a fine

job in bringing us to this point. I would also like to express my heartfelt thanks to John Oliver and the citizen volunteers, who also gave so much time and talent to this effort. The school directors are gratified by the results of our long-range plan and I know I speak for them when I say to the community that we are all very proud of this recognition".

The spirit is there!

The Christmas spirit has overtaken the Lake-Noxen Elementary School and its students. Visitors to the school are greeted by a gaily decorated tree and entrance way. All this week, students will be doing their shopping at P.T.A.'s "Santa's Secret Shop."

There will be a

Christmas program, Dec. 16, 7 p.m., performed by the elementary chorus and the junior band. The public is invited to attend.

On Dec. 23, the P.T.A. will provide a Christmas movie for the children to enjoy. Thursday, Dec. 23, will be the last day of school and will re-open on Jan. 3.
