Audit brings praise

Luzerne Intermediate Unit No. 18 officials have learned firsthand from state Auditor General Al Benedict that a state audit, often associated with criticism, can bring good news, too.

"The fine job done by IU No. 18 officials and personnel in managing school operations deserves public recognition," Benedict said today in releasing an audit report. "We found compliance with the Public School Code and adherence to sound accounting procedures."

Music educators celebrate

This school year marks the 50th Anniversary of the Pennsylvania Music Educators Association, an organization comprised of nearly 4,000 professional music educators from across the Commonwealth. PMEA, since it was first founded in 1933, has played a significant role in strengthening and advancing music educa-

tion on every educational level in the state. The organization is also an active affiliate of the Music Educators National Conference of Washington, D.C. Each year, PMEA organizes and presents

nearly 50 bands, orchestra and chorus festivals on a district, regional and state level. Over 7,000 talented high school student musicians participate in the PMEA Festival activities annually.

PMEA also provides professional growth opportunities for its membership and their respective students through clinics, workshops, adjudications, curriculum guides, research and publications.

Speakers at the workshop will be Peter Yasenchak from the Pennsylvania Higher Education Assistance Agency (PHEAA), Henry Chance, financial aid director from King's College, and the guidance staff of the high school.

The workshop will be presented Monday, Jan. 24, 7:30 p.m., in the Lake-Lehman High School auditorium. It is recommended that you bring copies of your most recent tax returns so that you can ask specific questions regarding the different financial applications.

Gregory named

Mrs. Earl (Pat) Gregory was named to fill the vacancy left by the recent resignation of Dr. Mahmoud Fahmy from the Dallas School Board of Directors.

A director for 10 years prior to her resignation in November, 1981, the Trucksville woman was appointed by a 6-1 vote of the board. The wife of District Magistrate Earl Gregory, Pat resigned 14 months ago for personal reasons. Since that time these problems have been resolved and she decided to seek re-appointment to the board.
