THE THIRD WEEK-LONG WYZZ BIG BAND & JAZZ FESTIVAL,

(From Sunday, February 13th
To Saturday, February 19th, 1983)

IS MORE THAN A FUN OCCASION . . .

IT'S A JOB CRUSADE FOR OUR AREA

When Hugh Ridall and Sheldon Wintermute held their First International Jazz Festivals in our area back in February of 1951 and, again, in February of 1952, they offered our area a vehicle that, if continued, would have brought our area millions of dollars worth of favorable publicity, and would have heralded our "True Life-Style" to the "Outside World" from whence our new industries and jobs are most apt to come. Unfortunately, our area "BLEW" its golden opportunity to create a favorable climate for the attraction of new industry. Instead, Newport, Rhode Island picked up on the idea and in the Summer of 1954 held their first Jazz Festival, which, subsequently, moved to New York City where it continues to be held. All of this favorable publicity could have been, and should have been, ours.

In February, 1981, and again in February, 1982, Radio Station WYZZ sponsored week-long festivals in which jazz and big band events were held at various area hotels and night clubs every night of the week. College Misericordia even brought in the U.S Army Jazz Band for a one-night stand. These first two festivals have re-established the fact that our area held the first International Jazz Festivals. (Leonard Feather, noted jazz historian, attests to this fact). Our area has received thousands of dollars worth of good publicity nationally because of the restoration and revival of the original 1951 jazz festival idea.

WYZZ and our area need your attendance at these events this February, 1983, to further carry the name and fame of our area to the "Outside World", to join in this job crusade, and to help our area get moving again. It's more than a Festival . . . It's A Job Crusade!!!

NEDT STUDENTS--Eight Dallas High School sophomore students have been named National Educational Development Tests certificate winners. These students attained a composite score at the 90 percentile or better as measured by national norms. The NEDT provides information on the development of students in English, mathematics, sciences and word usage. Left to right, shown with school administrators are first row, Gerald Wycallis, assistant superintendent; Pam Hargas, guidance counselor; Nancy Washicosky, Brian Moore, Keith Wasilewski, student winners; Frank Galicki, assistant high school principal; back row, Kenny Swingle, Eric Supuy, Dave Dillon, Dave Garber and Dave Hislop. (Rod Kaye Photo)

Students receive N.E.D.T. certificates

Dallas Senior High School is proud to announce that eight students in the sophomore class are N.E.D.T. (National Educational Development Tests) Certificate Win-

ners. These students attained a composite score on the test at the 90th percentile or better as measured by national norms. The N.E.D.T. provides

information about the general level of educational development of the student and ability in the following areas: English, mathematics, social sciences, natural sciences

and word usage. Certificate winners are David Dillon, David Garber, David Hislop, Brian Moore, Eric Supuy, Kenneth Swingle, Keith Wasilewski and Nancy Washicosky.

In the Spotlight

Davis heads band and Student Council

Lake-Lehman senior, Thomas Davis, is the third son of Mr. and Mrs. John B.N. Davis to be actively involved with the Lake-Lehman High School Award-winning Band. His older brothers, Kelly, junior at King's College, and Noah, sophomore at Penn State's Main Campus, were members of the band while at Lake-Lehman.

Tom, as he is known to his friends, a member of the band for the past six years, this year is band president and a flute section leader where he has first chair.

During the past years, he has traveled with the band to West Virginia, Georgia, Florida, Norfolk, Va., Newport, R.I., and several times to Sherburne, N.Y. On each occasion the band won numerous first place trophies.

Tom has been accepted at Penn State's Wilkes-Barre Campus where he plans to major in engineering. He does hope, however, that he might be accepted at the Main Campus where he will be able to major in engineering and minor in music.

The Post's In The Spotlight student for this week, Tom also takes an active part in other school activities. He is president of the school's Student

Council, is a letterman in baseball and last year was a member of the high school basketball team.

He is playing in the CYC Teenager Basketball League and when the season opens, Tom plans to again play for the Back Mountain American Legion team, where he has played second base for the past two seasons.

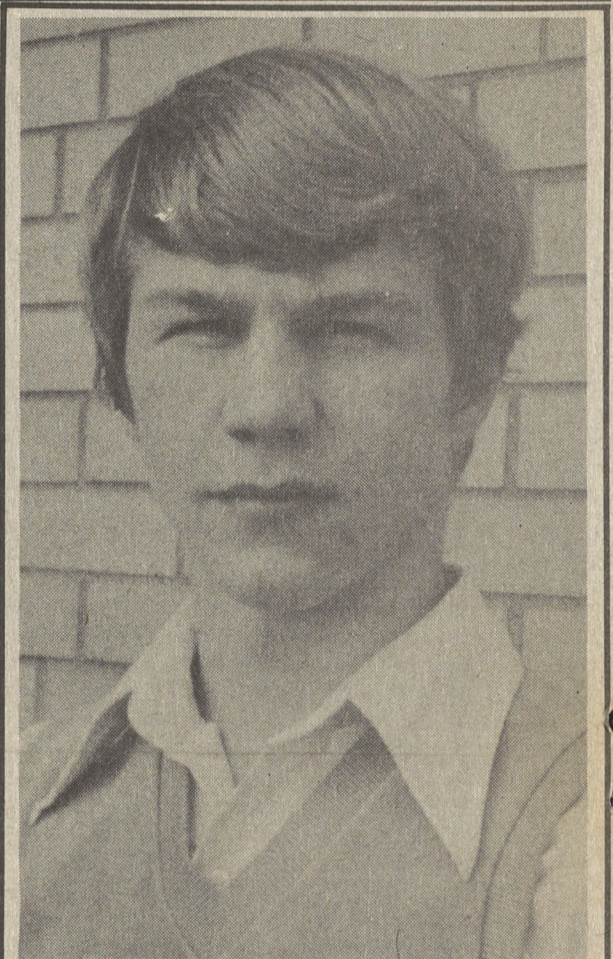

An honor roll student, he has been a member of the Lake-Lehman Chapter of the National Honor Society.

A member of the band executive committee for the past five years, he is a talented musician and made District Band for three years, District Orchestra for two years and Regional Band for a year.

In his leisure time, Tom enjoys music, sports and eating, especially white, seedless grapes. He enjoys pro football despite the fact his favorite team, Atlantic Falcons, fell by the wayside. He believes the Washington Redskins will win in the Super Bowl this Sunday.

Tom works part time at Joe's Grotto, Harveys Lake, and Pinebrook Inn, Lower Demunds Road, Dallas.

He is a member of Our Lady of Victory Church, Harveys Lake, where he serves as acolyte.

George Steltz

Represents Lehman in District Chorus

George Steltz, son of Mr. and Mrs. Donald Steltz of Sweet Valley, will represent Lake-Lehman at the District Chorus Festival to be held at Northwest Area High School on Feb. 3, 4, 5. George placed second in tenor I tryouts which were held last fall.

George, a junior, has been a member of Lake-Lehman's chorus since the seventh grade. He also studies voice in private lessons and has per-

formed innumerable solos for various choral groups at the school. It is his first year for auditioning for district chorus.

Jane Morris, choral director at Lake-Lehman will accompany George to Northwest for the Festival. Betsy Ellis choral director at Northwest, is hosting the event. Joan Turell is guest conductor. The concert will be held Saturday, Feb. 5, at 2 p.m. Tickets may be purchased in advance.
