READ THIS UNLEASHING HUMAN POTENTIAL..

The Life Improvement Center is concerned with the reestablishment of the normal relationship between the spinal bones and the nerve system, with the ultimate objective of helping each individual to more fully express all of life's potentials - to become all that she or he could be.

We are talking about your human potential. Every expression of human potential - physical, mental, emotional, sensory, extra-sensory, has its roots in the brain, (the master control system of the body). Each of the billions of cells is controlled and coordinated by the brain and spinal cord to result in an integrated whole.

The Central nervous system - the brain and spinal cord - is so vital to life that nature has encased it in the bony protection of the skull with 24 moveable segments known as vertebrae.

When the normal relationship of the bones of the spine is disturbed, the proper function of the nerves which pass between them from the brain to the rest of the body is impaired.

This results in discoordination of body chemistry, causing structural, chemical, mental and emotional imbalances, and the ultimate loss of overall potential. Human potential is so vast, it defies imagination which itself is but one small expression of our capabilities.

A visit to the LIFE IMPROVEMENT CENTER can start you on your way to a more fulfilling and healthier lifestyle that can be adapted to a permanent lifetime change in habits and attitudes.

Center hours will be Mon., Wed. and Fri. 10:00 to 3:00 and 5:00 to 8:00. Tues. and Thurs. 10:00 to 5:00. Sat. hours will be by appointment only.

PLEASE FEEL FREE TO DROP INTO THE CENTER ANYTIME DURING THE WEEK. As always there is never a charge for a consultation and explanation of what the LIFE IMPROVEMENT CENTER can offer.

Age is no barrier, as it is our philosophy that you are never too young nor too old to learn a better way of life.

Group lectures are available upon request. FREE OF CHARGE. PTA Groups, Veteran groups, Health Spas, recreational organizations, Schools, etc. Cambridge Diet Plan also sold here.
