Collectors Show Marked by Variety

Model trains and old mining tools, tinware and antique toys, bookmarks and letter openers ... all vie with a variety of glass, china and fragile ceramic baskets to bring a wide variety of interests to the Collectors Show, to be held Sunday, May 1 from 1 to 5 p.m. in the Educational Building of the Trucksville United Methodist Church on Church Road.

Sponsored by the active Back Mountain Collectors Group, for the benefit of the Back Mountain Library, the show will bring together collectors whose interests spread far and wide. Some collectors concentrate on one or two areas, others gather with loving hands items of a widely diversified nature. As one member of the Group said recently, "If you have two

of anything, you've started a collection."

Members of the Collectors Group, which meets monthly in the library annex, are simply collectors. They are not engaged in the business of selling but rather gathering things that interest them and become treasures in their own collections.

In addition to the organization's members, many area collectors will display things that have wide appeal. A group of souvenir spoons, more than 300 of which have been acquired by Lois Hughes of Dallas will share the spotlight with her extensive collection of Lincoln memorabilia.

Tickets may be purchased from members of the Collectors Group, the Back Mountain Library or at the door.

Belly Dancer Performs

The Dallas Chapter of the American Field Service will present a talent show on Sunday, April 24 at 8 p.m. at Trucksville United Methodist Church Educational Building, Church Road, Trucksville.

Exchange students of the AFS, school club members, and their friends will take part. The program will be varied and will include music and skits. It has already been assured that

the Folk Group of St. Paul's Lutheran Church will perform, as well as an authentic Egyptian "belly dancer."

Fun for the whole family is in the offing, with proceeds aiding the A.F.S.

Tickets may be purchased from any member or at the door.

Any local talent may also participate. If interested contact Mrs. Jackie Sheehan, 675-0675 or Dorothy Anderson, 675-2001.

Gialanella Honored

The Dallas Junior Woman's Club recently bestowed, for the first time in the club's history, the distinct honor of "Member of the Year" on one of its members.

The award was made as a surprise at the club's monthly meeting to Valerie Gialanella. A short presentation of Valerie's contributions to the club was made by Mary Ann Storz and Linda Vozniak.

Valerie joined Dallas Junior Woman's Club in June, 1980, and has been actively involved ever since. Her many activities include the library auction, halloween party committee, Christmas party committee and pizza sale co-ordinator.

She has served as co-chairman of the club's Easter egg hunt for the past two years, this year assuming greater responsibility for the event. She presently is corresponding secretary for the club, a job that also includes the activities of the membership department.

As chairman of membership, Valerie has organized membership punch parties to recruit new members, orientation meetings and began the "Member of the Season" award program. She has organized the new member project—a Christmas party for the club members' children. And she manages to get cards and flowers out to all members.

Val lives in Dallas with her husband, Jim, and their five children: Jimmy, 9; Gina, 7; Angela, 6; Jenelle, 4½, and Joseph, 11 months. Originally from Plymouth, Valerie met Jim while in high school at Wyoming Valley West. Jim is a teacher at Lackawanna Trail Jr-Sr High School where he is a co-operative education instructor. Valerie is also a registered nurse and has worked part time in the obstetrics department at Nesbitt Hospital unit her last baby was born. The Dallas Jr. Woman's Club is very proud of Valerie and all her accomplishments and were pleased to present to her the first Member of the Year Award.

Ox-Roast Highlights Event

The Harveys Lake Protective Association is planning to host an ox-roast on June 18.

The event is part of a broadened program to kick-off summer activities at the lake. Each organization in the community has adopted an event to promote and be part of a weekend long program called "The Harveys Lake

Homecoming Festival." The roast is expected to draw a large number of residents who will feast on great quantities of choice beef. Chariman Butch Hall (one of the principals of Benton Foundry) is in the process of constructing a 15-foot long motorized barbecue spit designed to hold at least five full hind-quarters of beef. Hall stated, "The

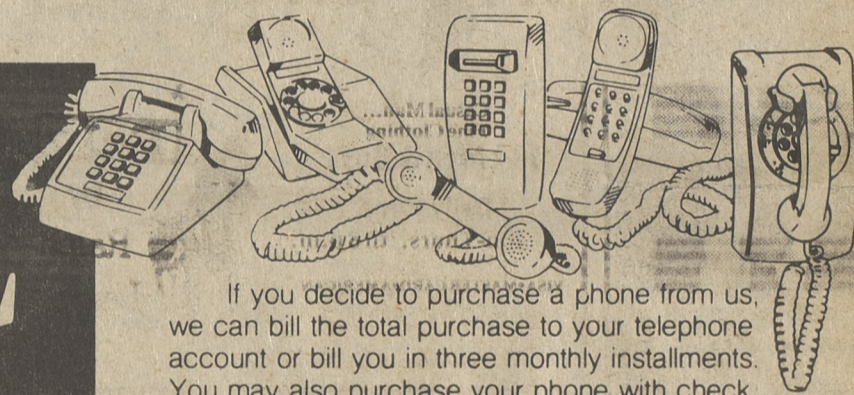

Association anticipates serving a complete sit-down dinner including beverages and dessert under the pavilion on Sandy Bottom Beach. The event will take place between 12 and 5 p.m.

Tickets may be obtained from committee members, or by stopping at the Harveys Lake Municipal Building at sunset.

HAPPY BIRTHDAY: The Dallas Post wishes Amanda Lee Cunningham a happy third birthday. Amanda celebrated the big day on Friday, April 15 with a family dinner. She is the daughter of Mr. and Mrs. James Cunningham, owners of the Towne House Restaurant in Dallas. She has four brothers and sisters, Scott, Kimberly, Michael and Matthew. (Dan Walsh Photo)

FOR SALE

If you decide to purchase a phone from us, we can bill the total purchase to your telephone account or bill you in three monthly installments. You may also purchase your phone with check, MasterCard™ or VISA®.

And you may choose to purchase additional telephones for yourself or as a gift for someone else, by calling or visiting your local Commonwealth Service Center.

Can I own my own phone?

That's right.

Because of new FCC regulations, Commonwealth is offering single line residence and business customers the option of buying the phones now being rented from us. How many phones you purchase is up to you. You may buy all the phones on your premises. Buy only one phone and continue to rent the others. Or you may continue to rent all your phones. The choice is yours. This offer applies to the purchase of basic telephones only. This means that telephones with special keys to pick up more than one line, or other features, are not included in this promotion.

What's the difference in cost if I buy instead of rent?

If you buy your phone, your monthly telephone set charge for that phone will be discontinued. But other charges will continue to apply, such as charges for local and Long Distance calling and any charges for telephones that are still being rented from Commonwealth Telephone Company. If you purchase a pushbutton telephone, the monthly set charge will be eliminated, but the pushbutton line charge will continue to apply. Likewise, if you have features such as Call Waiting or Call Forwarding, you will still be charged for those services.

What about repairs?

Phones that you now have in service will have a 30 day limited warranty period after they are purchased. Additional telephones that you purchase from Commonwealth have a one year manufacturer's warranty. Effective May 1, Commonwealth will honor a six month limited warranty on new and refurbished telephones purchased from the retail inventory. After the warranty expires, you will be charged for any repairs needed. The minimum repair charge is \$15.00. Any extensive repairs are quoted on a time and material basis for approval prior to repairing the phones.

Here's what it costs to buy any of the telephones listed below.

In the following chart, Column A is the price you'll pay for a phone that you already have in service. Column B is the price you'll pay if you wish to buy additional refurbished telephones for your home or business from our retail inventory. Column C is the amount you pay per month when renting your telephone.

STYLE OF TELEPHONE	COLUMN A	COLUMN B	COLUMN C
	IN-PLACE PRICE †	NEWLY REFURBISHED PRICE *	CURRENT MONTHLY RATES
