1983 SUMMER YOUTH EMPLOYMENT CAMPAIGN

HEY!!! MR. EMPLOYER!!!

WOULD YOU HIRE ME FOR 50¢ AN HOUR?????

I'M AVAILABLE THIS SUMMER AND I SURE COULD USE A JOB.

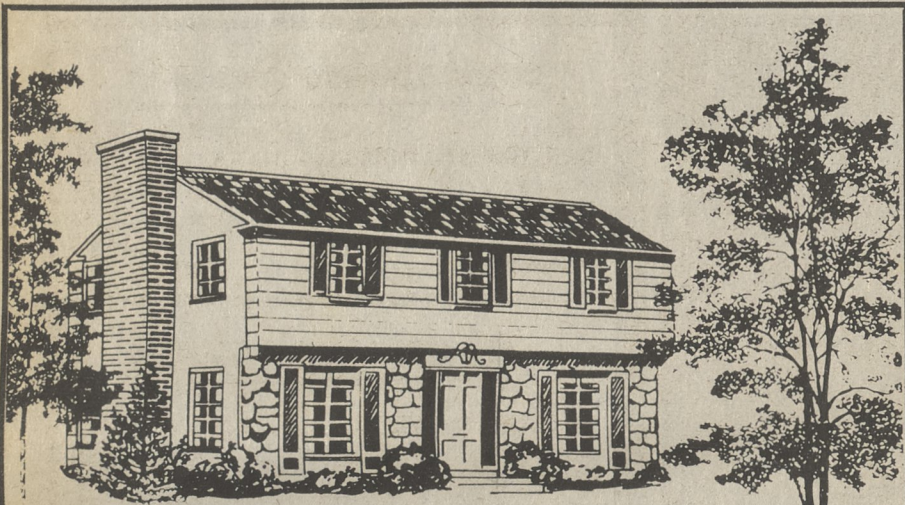

HOW ABOUT IT???

The Board of Commissioners of Luzerne County, through their Human Resources Development Department and in cooperation with the Pennsylvania Offices of Employment Security (OES), local Chambers of Commerce, community-based organizations, and participating school districts, are all working together to increase the number of summer job opportunities for Luzerne County's economically disadvantaged youth.

As part of our expanded 1983 Summer Youth Employment Campaign, we are encouraging additional private sector support and awareness to those already existing programs and resources, primarily the new Summer Jobs' Tax Credit, which may mean an 85% tax break for qualified summer hires. To qualify, you must hire an economically disadvantaged youth—16 but not yet 18—between May 1, 1983 and September 15, 1983. That's a potential tax credit of 85% for those 90 days, wages up to \$3,000—or as little as 50¢ an hour (after tax savings per employer can range from \$1,377 to \$2,167 depending on the employer's tax bracket) for each qualified summer hire. . . . In addition, there may be additional federal and state tax credits as well as OJT assistance available, so if you are interested, contact your nearest OES Summer Jobs' Coordinator at the number below:

Our reputation for dependability is virtually unmatched. Ask people about Ehrlich, look us over thoroughly. We think you'll decide your house is far too important to trust anyone but Ehrlich to rid it of termites.
