I GUESS I'M UP: Players from all the major league and softball teams exhibited a bit of nervousness before taking to the field on Saturday. But, when it was all said and done, there was a general feeling of having done a good day's work out there. (Dan Walsh Photo)

SPIRITS UNDAUNTED: A little bit of rain did nothing to stop the crowd from catching the first games of the season at Back Mountain Little League's Opening Day last Saturday. Ceremonies started early, 8 a.m. with plenty of pomp and circumstance. After that, it was all business, as the youngsters and their coaches took to the fields and battled it out. (Dan Walsh Photo)

Drive Nets 224 Units

"The Red Cross Blood collections are going from strength to strength," said Donna McCall of the Back Mountain Blood Council of the spring bloodmobile. Held on Monday, April 25 in far

from springlike conditions, the blood collection netted 224 units for the Red Cross Blood Center in Hanover Twp. which were quickly taken in for processing to be used to help patients in the Northeastern Pennsylvania Region. The later hours this time encouraged many people to come in after work, when of course the roads were clearer. "It gives me a

chance to donate after work," said one Back Mountain resident who works down town. The first hours of the collection were quiet but everything went smoothly and efficiently. After 4 p.m. "they (donors) came in droves," but we managed to accommodate everyone. Many donors were asked to wait a while and all did so patiently and to those, special thanks are due as they contributed significantly to the collection's success. This collection was greatly helped by the team from College Misericordia led by Sister Noelle who came in as volunteer callers. It is understood they will call regularly so to them, many thanks.
