## Dallas Area Urges Student Registration

Dr. Richard A. Shipe, superintendent of Dallas schools, has requested the cooperation of all parents who have children of school age that have not registered for the 1983-84 school year.  
 It is essential that the school district be informed of all new students who are planning to

register, especially the kindergarten students. Problems occur with class assignments and transportation when students are registered late.  
 He said the Dallas School District encourages all parents of new students or those transferring from other

schools to register their children immediately. All kindergarten through grade six students are to register at the administration office, Church Street, Dallas.

Junior and senior high students should register at their respective schools. Birth certificates and immunization records must be presented before

any student will be allowed to enter. Parents who have any questions about registration are asked to call the office, 675-5201.

## Noxen Notes

Members of the Noxen United Methodist Church began work on the painting of the interior of the church parsonage on Saturday. The work will be completed this Saturday.  
 A benefit clothing sale will be held Saturday from 10 to 4 p.m. at the Noxen United Methodist Church. Members of the Classmates Class of the church school are conducting the sale in cooperation with Party Nan. A bake sale also will be held during the day.  
 'Older Americans Month' is being observed throughout the nation and members of the Kunkle and Noxen United Methodist Churches joined in the opening of the month's celebration with the ringing of church bells. Jason Harding did the church bell ringing Sunday from 3 to 3:05 at the Noxen UM Church; Jay Thornton handled the matter at the Kunkle UM Church.  
 Henry Bergstrasser was the guest speaker at services Sunday morning in the three United

Methodist Churches of the Noxen-Kunkle-Ruggles UM Charge. Barbara Saxe will be the guest speaker at services in the three UM Churches on Sunday.  
 Stan Hamilton, director of the Shepherd of the Streets Ministry in Wilkes-Barre, will discuss the SOS ministry, its need and its outreach at a special program to be held Thursday evening, May 19, at 7:30 under auspices of the program committee of the Kunkle UM Church.
