Student Tour

Lake-Noxen sixth graders traveled to New York last week on their class trip. While there, the students visited Central Park and the Museum of Natural History, where they had lunch.

A bus sight-seeing tour followed. Due to rain, the students could not leave

the bus, but were still able to see the World Trade Center, the Empire State Building, Paramount Studios and many other highlights. A tour of St. Patrick's Cathedral and the United Nations Building were also part of the trip. The class came home tired, but happy after a full and exciting day.
