Students Enjoy Baby Chicks

AREN'T THEY CUTE: Third graders learn to handle the babies with care. Shown left to right, first row; Leanne Rogers, David Hazletine, Nancy Evans, April Stull, Jennifer Gabel, Tammee Yetter. Standing, second row; Marybeth Jenkins, Jason Toluba, Stephen Geist, Shelly Alexander. Third row; Charles James, elementary principal, Mrs. Ada Hoyt, Mrs. Carol Gosart, third grade teacher.

WATCHING THE BABY CHICKS: Second grade students are pictured watching the chicks in action. Shown left to right, first row; Chris Ryan, Sean Crisman, Jeremy Williams, Heather Isaac, Jenny Cole, Chris Brown, Nikki Sutton, Misty Wentzel, Janie Maculloch, Reagan Bombick, Becky Stockage. Second row; Jason McDade, Danny Wilson, Robbie Spencer, Adam Powell, Dave Larkins, Bridget Hozempa, Fred Bardo, Richard Davis, Tom Johnson, Jenny Lubinski, Sandy Hazletine, Michael Burnaford, Johanna Miller. Absent, Kevin Lowery. Third row; Charles James, elementary principal; Mrs. Ada Hoyt, Mrs. Susan Stolarick, second grade teacher.

Mrs. Stolarick's second grade class and Mrs. Gosart's third grade class at Lehman-Jackson Elementary School enjoyed an interesting science lesson thanks to Mrs. Ada Hoyt,

whose son, Ronnie, is in the third grade.

Mrs. Hoyt set up an incubator in the classroom so that the children could watch the chickens hatching. They were made

aware of the importance of the proper humidity and temperature in the incubator.

After the chicks hatched they were placed in a brooder in the classroom so the children could observe their growth. One batch of eggs has successfully hatched. Now the children are waiting for more chicks which will be hatching this week.

Officers Named

On Tuesday, May 18 the Lake-Noxen Elementary School held a regular unit meeting in the multi-purpose room at the school. The meeting was called to order by President Jan Carey and minutes from the last meeting were read and approved. The treasurer's report was given and also the budget and finance report.

New business discussed included: winners from Balloon Day, George Sibley, first returned; Billie Jo Simons, closest and Ann Marie Barber, farthest. Each student will receive a \$10 gift from Valentines.

Field day was held on May 27. Last day of school festivities will be June 7.

The new slate of officers was read and approved. The new officers will be President, Paulette Zerfoss; Vice President, Laurie Finnegan; Corresponding Secretary, Elaine Mack; Treasurer, Barbara Rogers; Recording Secretary, Rita Stefanowicz. The new officers were installed by Principal Robert Kunkle.

Video Course Slated

The Academic Services Division of Luzerne County Community College has announced a new course listing for the upcoming summer session scheduled to begin in June.

Basic Video Production, designed to help students integrate television as a useful tool in a program of study, will be offered on Tuesday and Thursday evenings, from 6:15 to 8:45, beginning June 7 through Aug. 11.

As a floating elective, this course will enable students within a variety of programs to gain experience in the television field.

For further information on the Basic Video Production course at Luzerne County Community College contact Ms. Mathes or Ms. Trawick, 829-7360 or 829-7361.

Kunkle showed the audience the new color video camera which was purchased by the P.T.A.

After the meeting, the audience enjoyed the play "The Greatest Show on Earth" performed by the first, fourth and fifth grades.

The P.T.A. would like to thank parents, teachers, students and administration for making this a very enjoyable, productive year.

Can You Burn Your Fireplace With Its Damper Closed?

Now that I have a FUEGO, I can close the damper almost all the way once the fire is going. With my old fireplace, I got a roomful of smoke if I forgot to open it all the way. Opening it also meant losing a lot of heat up the chimney. With my FUEGO, I don't worry anymore about smoke or lost heat.

- Abundant heat
- Saves heating fuel
- Stops heat loss
- Uses less firewood
- Needs no kindling
- FUEGO FIREPLACES are available in fireplace inserts, prebuilt, zero clearance and free standing stove models.
