# Day

A nation that sustains the course of history's great struggles owes its existence to the people who protect it — the men and women who stand ready to fight for it. America can be proud of those who have served in the armed forces throughout the past, and sadly, mourn those who gave their lives. Memorial Day is a time to remember, and a time to honor, the very people whose greatest sacrifice contributed to the strength and growth of this nation. May their heroic deeds never be forgotten.
