## Loke Receives PSU Award

Judy Loke, daughter of Mr. and Mrs. Michael Loke, Trucksville, was selected to receive the 1982-3 Eric A. and Josephine Walker Award at the Pennsylvania State University's Wilkes-Barre Campus. The Walker Award is given annually to the outstanding sophomore student on each Penn State campus on the basis of scholarship, leadership, citizenship, character and contribution to the welfare of the campus and the community.

Ms. Loke, a 1981 graduate of Dallas High School, attended the Wilkes-Barre campus of Penn State for five terms and now is at University Park majoring in Mathematics and minoring in Computer Science.

## School Receives Test Results

The Dallas School District has received its results from the California Achievement Test which was administered in April to the students in grades 1, 2, 3, 4, 5, 6, 7, 8, and 10. These results, along with the Educational Quality Assessment and staff recommendations, will be used to refine the Dallas School District curriculum.

New textbook options, team teaching at the Junior High level, and an expansion of graduation requirements at the Senior High School continue to have very positive effects on curriculum and California Achievement Test Scores.
