Boback Receives Award

Lisa Ann Boback, daughter of Mr. and Mrs. Joseph G. Boback, College Manor, Dallas, has received word that she has been named a 1983 United States National Award Winner in Science by the United States Achievement Academy.

Lisa, who attends Dallas Junior High School, was nominated for this National Award by Mrs. Eyet and Mr. Rybak, her science teachers. Her biography will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA Winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Lisa is the granddaughter of Mr. Joseph Boback of Wilkes-Barre and Mr. and Mrs. Andrew Siket of Pottsville.

Former Resident Receives Degree

Suzanne Williams Johnson, daughter of Mr. and Mrs. James J. Williams of Mechanicsburg (formerly of Dallas), was among the recent graduates at Hood College's 90th commencement.

A 1979 graduate of Dallas High School, Miss John was a dean's list student and received a B.A. degree in management.

Ms. Johnson was listed in Who's Who Among Students in American Colleges and Universities.

Seminary Students Donate Tapestry

Seventh graders from Wyoming Seminary Lower School donated a hand-made tapestry to College Misericordia. The tapestry is satin applique on burlap with metallic thread. Shown above, during the presentation are, from left, Joseph Fink, president of College Misericordia; Tanya Fink, Laurie Lawrence, Amy Antinoes, Katie Callahan and Jamie Kiwak, art instructor at the Lower School.

Reading Program is Completed

The E.C.I.A. Chapter I Remedial Math and Reading Programs of the Lake-Lehman School District completed a most successful year by distributing specially prepared visual aids and hands on materials for the students to use during the summer months. The materials were prepared by a very active Parent Advisory Committee coordinated by Linda Wallace, Lake-Noxen; Diane Newberry, Lehman-Jackson; Colleen Honeywell, Ross; and Pat Peiffer, supervisor of the Chapter I program.

Parents are urged to have their children use E.T. addition and subtraction fact drill; Multiplication Wheels; Pac Man multiplication and division problems; Apple Trees recognizing blends; Go Fishing sight words; E.T. Go Home Vowel Houses; Volcanoes dividing words; Flip Cards Vocabulary Drill, and worksheets to reduce the normal degree of regression that occurs during the summer in

math and reading. Many parents took advantage of the recently held "Make and Take Night" to prepare materials for their children. This interest and caring has been a large part of the success of the Chapter I Program at Lake-Lehman.
