

Bike Winner

McDonald's Family Restaurants of Shavertown recently conducted a bicycle give-away. Winner of a 10-speed Metsuri bicycle from Cedar Bike Shop in Scranton was Aaron Kelley of Trucksville. Kelley is shown above with Rosemarie Midgett, manager of the Shavertown McDonald's. Albert and Carol Mueller are proprietors of the local McDonald's.

Swim Classes Available

As summer approaches and temperatures rise, area youngsters will flock to Northeastern Pennsylvania's many lakes and pools in search of a cool place to enjoy themselves.

The American Red Cross urges everyone to be safe in and around the water this year. Over 7,000 drownings occur each year in the United States, but with proper training about water safety and swimming this number can be reduced.

The Wyoming Valley Chapter, American Red Cross announces the scheduling of their 1983 "Learn to Swim" program. This yearly program offers one week of swimming lessons at area lakes and pools. Basic Water Safety classes are held on rain days.

Red Cross swimming courses from Beginner right up to Advanced Life-saving are offered. Students are assigned to their classes on registration day. Brian Delaney, Water Safety Instructor, will conduct this year's program. The fee for one week is \$5 per person.

Courses will be given at the following locations: Harveys Lake, July 25-July 29, registration, July 6, 1 p.m.; Harveys Lake, Aug. 1-5, a.m., registration, July 7, 9 a.m.; Centermoreland, Aug. 1-5, p.m., registration, July 7, 1 p.m.

For more information, contact Safety Services at 823-7161.

Western Night

A "Western Night" was held recently at the Dallas Recreation Center on Burndale Ave. Shown here are those who participate as they prepare for a ball game. Marisa Bolinski is director of the center.

SCID Committees Meet

A regular meeting of the Citizens Committee and the Administration of SCID was held on Friday, June 17. Attending, in addition to Superintendent Joe Ryan and his staff, were Representatives Stanley Jarolin and Frank Coslett, Jackson Twp. Supervisor Walter Zimcavage and Twp. Solicitor Blythe Evans and Senator O'Connell's representative.

Mr. Ryan responded as follows to committee questions: 1. Prisoner population has risen from 1340 in March to 1396, an increase of 56. Five correction officers were added bringing that total to 245. There is no limit on the number of prisoners that may be

housed at SCID. Other state facilities now have overcrowded conditions where prisoners are sleeping on floors.

2. Mr. Ryan reported assignment to the modular unit is preferred by both the prisoners and security officers. The use of the unit however, has not reduced overcrowding.

3. Prisoners are routinely transported off SCID property on work details. The use of covered trucks for this purpose continues. Roads through the less populated areas of the township are used for transportation. Lifers are not allowed outside work details.

4. Additional technical information was provided

on the steam whistle siren. This was required by the committee to continue investigation for a possible siren upgrade.

Additional discussion centered on the State budget and funds to complete the double fence requested by SCID. Budget work begins this week in Harrisburg and Representatives Jarolin and Coslett agreed on the importance of pursuing these funds. They also felt it would be more cost effective to add correction officers and reduce the \$850,000 budget overrun caused by overtime requirements. The same amount of money would finance in excess of 30 full time officers.
