## Rubbico: 'The Back Mountain Jaycees Are About to Erupt'

The Back Mountain Jaycees are an all-male civic organization ranging in age from 18 to 35. The Back Mountain Chapter began its course in 1975 and will celebrate its 9th year of existence in February, 1984.

We presently have about 40 members and are constantly seeking new blood to help serve our community better. It takes manpower to run projects efficiently. Jaycees extend the hand of brotherhood throughout the entire world.

Jaycees are responsible for the growth of each member that enters the organization. We are a leadership training college for young men. As each individual member grows the chapter grows. The chapter in turn serves as a strengthening force guiding community growth.

The Back Mountain Jaycees were involved in a number of community oriented programs during the past two months. These include: Back Mountain blood drives, the Lite Beer Run, Book Scholarships, the Home Run Derby and Operation Ride.

Last weekend the Jaycees assisted the Back Mountain Library with the Memorial Library Auction. Other upcoming events include our annual Horse Show, Sept 18; a gelatin wrestling contest, tentatively scheduled for August 7; an arm wrestling contest and a Run-A-Thon for MDA, both still in planning stages. The Jaycees also support the Fall Fair Association. We will be manning the arts and crafts tents with their counterparts, The Jay-Cettes, during that weekend, Sept 8-11.

The Back Mt. Jaycees are one of 350 chapters in the state of Pennsylvania. They were rated No. 45 in the state by their Jaycee peers for their work during the past year and were rated No. 20 in the state for their work during the period between February and April.

President Joe Rubbico claims that this will be the Back Mountain Jaycees most memorable year in its 9 year history. "We are striving to attain the No. 1 slot in the state. In fact, a ranking among the country's best would not surprise me at all this year. The Back Mountain Jaycees are about to erupt!" The club will receive its quarterly rating during the last weekend in July, at the Jaycees State Board meeting in Carlisle, Pa.

Back Mountain Jaycees hold its regular monthly meeting on the first Tuesday of each month. They are normally held at Irem Temple beginning at 8 p.m. Their next meeting however, will be held on August 2 at Dan Seman's house - 7 p.m. Joe is presently accepting applications for membership. Feel free to call him at 675-0506 if you are interested.

Today's Jaycees roll up their sleeves, contributing their time, talents, energy and ideas so that this town might grow and prosper. Their community service benefits us all, as they learn to develop leadership qualities and sound judgment. It is our privilege to offer support and thanks to these young men for the important work they do in this community... to make it a better place.

### THE JAYCEE CREED

- WE BELIEVE:
- That faith in God gives meaning and purpose to human life;
  - That the brotherhood of man transcends the sovereignty of nations;
  - That economic justice can best be won by free men through free enterprise;
  - That government should be of laws rather than of men;
  - That earth's great treasure lies in human personality;
  - And that service to humanity is the best work of life.
