

Dallas Baptist Church Plans Youth Activities

The next two weeks at Dallas Baptist Church are going to be filled with fun and excitement for children because these are the weeks for the Summer Vacation Bible School (9:30 a.m. - 12 noon).

Members will meet at the church each morning (July 18-29) at these times and will learn such truths like being obedient to parents, that God loves them, and memory verses from the Bible. They will also enjoy periods of recreation and refreshments.

During Children's Vacation Bible School, youth activities will be held Sunday morning, July 17,

with a picnic and fellowship following the morning worship service.

Sunday evening at 7 p.m. there will be a special program including the Wyoming Valley Puppet Team from Wilkes-Barre.

The youth will meet at the church on Tuesday night (7-9 p.m.) for Bible Study.

Regular Sunday and Wednesday night choir

schedule for the youth and children's choirs will continue.

All youth and children in the Back Mountain area are invited to join the group as they seek God's leadership in their lives through Bible Study and grow together as a group during times of fellowship.

Further information may be obtained by calling 333-4876.

Radio Programs Are Listed

The schedule of the Catholic Bible League's radio program, "CHALLENGE," is as follows:

July 17, Rev. Jerry Mullally "The Gift of the

Spirit".

July 24, Rev. Richard Loch "My Gift to the Church". Fr. Loch looks at how we might disappoint Christ.

Cub Scout Day Camp Is Currently in Progress

The Eighth Annual Cub Scout Day Camp for the Mountain Pathfinder District II is being held at Frances Slocum Park through July 15. The camp is for all Cub Scouts from Plymouth to W. Pittston and out to the Back Mountain.

Activities are varied to give the boys a chance to improve all skills from swimming to archery to woodwork. Most boys are able to work on awards or badges and all boys are awarded a patch at the conclusion of the camp.

The Cub Scout Day Camps were started in 1975 by District Commissioner Nancy McDonald and a handful of volunteer helpers who pioneered the concept in this area.

For the first years, the camps were held at the Country Club in Dallas but in order to make it more accessible they moved to Frances Slocum Park in 1979.

This year's camp director is Marge Griffin of West Pittston, whose task it is to arrange the order of activities and to enlist the cooperation of those who come out to give various displays or information to the boys.

The camp usually starts with an hour of swimming before the pool opens to the public. After this, the scouts are assigned to groups by age, with each group led by a Den Chief, (an older scout who performs this service as part of an award scheme). The den chief's job is to see that his group moves from activity to activity and to assist the leader in the demonstration or activity at each place. Most of the activities take place in the lower part of the park near the lake.

Activities have included archery lessons, demonstrations by the Trucksville Fire Dept., "K-9

Corps", Judo lessons and "the Jaws of Life."

An important part of the program is making things as the Webelos (older cub scouts) have woodworking projects and the younger cubs make craft items out of natural things like pine cones. Each boy has at least one item to take home as a reminder of his week in camp.

The camp will conclude with a cookout on Friday afternoon when all the scouts, their leaders and helpers gather for a social session. Badges and awards are presented and quantities of hot dogs and watermelon are consumed.

The day camp is an excellent opportunity for Cub Scouts to meet boys of their own ages from different areas and schools. Each year the organizers have drawn on experience of previous years to make it a week to be remembered.
