Consultant Presents Talk at Marywood

Career consultant Jacqueline Norton Bendick will present a career workshop Aug. 1, 2 and 3 from 9-11 a.m. at Marywood College.

Bendick's presentation, entitled "Considerations and Techniques Associated with the Career Process," is part of the Celebration of Wholeness, Aug. 1-5, sponsored by the Sisters, Servants of the Immaculate Heart of Mary and Marywood.

Bendick is a Marywood alumnus now living in Manhasset, N.Y. During her three-day workshop, she will focus on assessing skills, exploring the job market, resume writing, and interviewing techniques.

Bendick's workshop is one of several offerings included in the week-long Celebration of Wholeness, designed to provide an integrated program of activities geared to the physical, mental and spiritual components of wholeness.

Also included are 12 mini-courses, an evening lecture series, film festival, art exhibit, special liturgies and a variety of recreational activities.

For a minimal registra-

tion fee, regional residents may sign up for two mini-courses, or one mini-course and the career workshop, or one mini-course or just the career workshop.

Wilkes-Barre PSU Sponsors 'Computer Camp for Kids'

Penn State's "Computer Camp for Kids" is being held at the Wilkes-Barre Campus at Lehman this week.

Two sessions are held daily in the Microcomputer Lab at Hayfield House on the campus. The first session for ages 8-11 meets 9 a.m. to 12 noon and the second session for ages 12 to 15 meets from 1:30 p.m. to 4:30 p.m.

The 15-hour program provides hands-on experi-

ence with a variety of available software packages. As a result, students learn how the computer functions and what it can do. They learn some BASIC programming commands which will enable them to write a short program.

Instructor for the week-long camp is Michael D. Elias, instructor of data processing at the Wilkes-Barre Area Vocational Technical High School.

Elias received his Bach-

elor of Science Degree from Wilkes College and is currently a master's degree candidate in Data Processing at Marywood College. He taught chemistry for several years at G.A.R. before joining Vo-Tech in Plains in 1972. He is a partner in Basic Systems Company, a computer software house.

Misericordia Hosts Conference

College Misericordia will host a conference for the National Association of CARS Users July 18-20 at its campus in Dallas.

CARS, which stands for Campus Administration Resource planning and Student instruction, is a turnkey computer system for small colleges. The National Association of

CARS Users is chaired by Roger V. Bruszewski, Director of Computer Services at College Misericordia.

The purpose of The National Association of CARS Users is to share information on existing software and hardware and to discuss developments in the world of com-

puting. At the upcoming conference, college and university computer science personnel will discuss trends in computing usage and management. They will also hear a presentation on top management's perspective by Arthur Kirk, vice-president of College Misericordia.

"Let me point out the most important thing about planning a special event ...

THE MAGEE PUBLIC HOUSE AT DALLAS" DICK BENEFIELD

"Not only does the Magee Public House at Dallas in Newberry Estates serve great lunches and dinners, we also accommodate all kinds of special events.

"For parties and social affairs, the beauty of the Magee's grounds and buildings are unsurpassed. When combined with our gracious service and years of catering experience, they make the Magee perfect for everything from company picnics to formal balls.

"And since we're located away from the bother of downtown traffic, the sales meetings, seminars and conferences you hold here take place in relaxed comfort. This makes concentration easier and builds efficiency.

"So if you're planning an event for 5 to 250 people, give us a call. We'll do for you what we've been doing for people and events for years and years — we'll add that extra Magee touch to make your next event extra special.

"And, after all, isn't that the whole point of a special occasion?"

Directions:

To see our facilities, follow the Dallas Highway (Rt. 309) to Duke Isaacs auto dealership. Then turn left

onto Pioneer Avenue and travel straight for two miles till you see the sign for the Magee Public House at Dallas. Or save time by telephoning us today for details at 675-8603.
