Tel-Med System lists new tapes

Harveys Lake sets zoning hearing

The Harveys Lake Zoning Hearing Board has scheduled a hearing for a variance request for Aug. 25. The hearing was requested by Joseph Dalkiewicz, representing Dale and Dale Co. The firm is seeking an exemption that requires lots for single family homes be 80 by 100 feet. The firm wants to build four single family dwellings on lots of 75 feet by 100 feet each. Harveys Lake Borough Council recently approved the subdivision of the property in question which is located on Rood Avenue in the Sandy Beach area. Council approved subdivision of the property into four lots of 75 feet by 100 feet.

Harveys Lake group sells buoys

The Harveys Lake Protective Association is selling buoys to lake residents. Priced at \$56, the buoys will create safe swimming zones and allow boaters to judge the 100-foot from shore mark.
