IN THE JULY 6 EDITION OF THE DALLAS POST, it was reported that Mrs. Patricia Johnson of Bodle Road had given up plans to have the Franklin Township polling place moved from the Orange United Methodist Church annex to the Franklin Township fire hall.

Mrs. Johnson, however, has informed The Dallas Post that she never secured a petition to change the polling place and, in fact, never had any intentions of doing so. Persons desiring a change in polling places are required to get a petition from the Election Bureau Office located in the Luzerne County Court House. Employees at the Election Bureau Office have informed The Dallas Post that they keep no records of who picks up such petitions at their office. Neither do these employees have any recollection of Mrs. Johnson being at that office.

Mrs. Johnson has assured The Dallas Post that it makes no difference to her where the Franklin Twp. polling place is located.
