Jean Johnson Lipski

New Lehman hockey coach has years of experience

By CHARLOT M. DENMON
Staff Correspondent

Jean Johnson Lipski, Lake-Lehman High School's new girls' field hockey coach, appears to be well qualified for the position.

The former Jean Johnson, a native of Lehman, is a graduate of Lake-Lehman High School where she played field hockey for five years under Coach Jane Morris. She also lettered in field hockey at Wilkes College where she played for four years under coach Gay Meyers. In her sophomore year at Wilkes, Jean had the distinction of being the first Wilkes College field hockey player to be named to the Susquehanna Field Hockey All Stars team.

The daughter of Mrs. Edna Johnson and the late Lynn Johnson of Lehman, Jean received a Bachelor of Arts Degree in English Education and Sociology in 1978. She then accepted a position at Lake-Lehman Senior High where she teaches thea-

tre, journalism and humanities. Recently married to Philip Lipski, special education instructor at Lake-Lehman, the new hockey coach resides in Lehman.

Jean has coached the Lake-Lehman junior high field hockey team for three years and, for the past two years, her teams have taken the District 2 Junior High

championship. She also coaches the cheerleaders at Lake-Lehman, is advisor for the yearbook and directs Homecoming and Dallas Spirit Week.

Mrs. Lipski is a member of Lehman United Methodist Church where she teaches Sunday School. She also sings at weddings.

With the help of her assistant coaches, Flossie Finn and Cheryl Travis, Jean has worked tirelessly at getting her team members in good physical condition and has spent hours on basic fundamentals and teaching them to think and play as a team.

"I believe the fact that I am not familiar with the senior high teams is to my advantage," said Coach Lipski. "I'm not too concerned with the other teams' strengths and weaknesses, but instead am placing emphasis on my girls playing to the best of their ability."

"The girls have lots of enthusiasm and spirit which pleases me very much. I have coached all of these girls in junior high so they are familiar with my coaching methods and I am familiar with their strong and weak points."

"We have excellent depth this year. We have more than 11 girls we could put on the field as a first team. In fact, we have enough to field two first teams."

"I have excellent assistants and we are working on improving the girls' aggressiveness," Lipski added. "We are pleased with the girls' performance and we are looking for good things from the team this year. Time will tell."

Local at Temple

After a strong spring practice, Temple defensive lineman Jerry McDowell is being counted on for a outstanding season for the 1983 Temple Owls.

"McDowell finished spring practice as our starting right defensive tackle," said Head Coach Bruce Arians. "Jerry kept improving during the spring drills but will have a battle on his hands retaining the position. McDowell is not flashy but a good steady player who can be counted on."
