I RECENTLY READ that a group of Philadelphia residents is turning a 200-year-old house into a memorial to Anne Frank, the young Jewish girl whose diary spoke of faith in mankind despite the horrors of Nazi persecution. I remember when I read the "Diary of Anne Frank," how touched and troubled I felt. And yet, despite everything, Anne was still able to write "I think people are really good at heart." Anne Frank is someone who we really should remember.

BEST WISHES to Kim Renee Telford and Jay Youngblood who were married Aug. 27 in Trucksville United Methodist Church. Congratulations are also in order for Antoinette and Giulio Tomassetti III who were recently married at Wyoming United Methodist Church. Following a wedding trip to the Poconos, the Tomassetis are residing in Kings-
