

Doug Lane and his Hot Air Balloon.

Hot Air Balloon Returns

Doug Lane will be flying his big hot air balloon "Sunkiss" at the Luzerne County Fair on Wednesday, September 7, Friday, September 9 and Sunday, September 11 beginning each evening at about 6 p.m.

Doug recently flew "Sunkiss" during the official bicentennial celebration of manned flight in Annonay, France. He was one of six American balloonists representing the United States in the world wide event recognizing the first flight of a balloon in 1783.

"Sunkiss" is a colorful orange, red, and yellow balloon that stands 8 stories

high and contains 80,000 cu. ft. of air. Tether rides will be available to visitors at the fair for \$5.00 per person on a first come basis, weather and winds permitting. Riders will get a spectacular view of the fair.

Doug Lane holds a commercial pilots license for balloons and has flown "Sunkiss" throughout many states and in France. He is the owner of Radio Stations WDDL-Stereo 104 and WICK-AM 14 in Scranton, and his familiar voice is heard on commercials on radio and TV stations in Pennsylvania and New York when not ballooning.
