IN CASE OF AN AIR RAID ALARM

Remain in your places, and make no attempt to leave the field. If every one will cooperate, there will be no con-

fusion. Obey whatever additional instructions may be given you by the ushers or police.

Old program

Pictured above is a Forty Fort High School vs. Swyersville High School football official program which was dated Friday, September 15, 1944. Take note of the Air Raid Alarm reminder on the bottom of the program. Many people might remember

such alarms being held during World War 2. Swyersville beat the Flyers that year. This Flyer-Sailor game was usually played the first game of the season and was the big thing of those days as just about everyone from the two boroughs saw the game.
