## Dallas Post to sponsor mat clinic

The Dallas Post will sponsor a wrestling clinic at Lake-Lehman High School on Sunday, Oct. 23. Featured speakers for the seminar-type affair will be the Penn State Coaching staff. The clinic will start at 10:30.

The Post is sponsoring the clinic for wrestlers from Lake-Lehman, Dallas, Crestwood and Abington Heights.

PSU Coach Rich Lorenzo will be the featured speaker, along with assistant Coach John Fritz, former NCAA champ and Hachiro Oishi, a free-style specialist and assistant wrestling coach at Penn State University.

Each coach will lecture on his specialty. At the conclusion, he will entertain questions from the participating wrestlers.

Penn State has been the East's top ranked dual meet team the last two years winning the Eastern Mat Poll. The Nittany Lions had a 12-2-1 log last year.

HACHIRO OISHI

"I'm looking forward to bringing my staff to the Back Mountain and lecturing to the high school wrestlers from that area," said Lorenzo. "A clinic of this sort is good for the sport and I'm sure we'll have some techniques that will benefit the coaches and wrestlers for the upcoming season."

## 'Great Race' set for Oct. 9

Registration for the third annual Falcone "Great Race" scheduled for Oct. 9 in Wilkes-Barre is currently underway, and will continue until Oct. 6.

The "Great Race" is a triathlon event consisting of a five-mile running portion, a nine-mile bicycle course and the final leg of the race being an eight-mile canoeing race. The race begins at 10 a.m. in Kirby Park in Wilkes-Barre, to West Pittston and returns to Nesbitt Park in Wilkes-Barre.

New to this year's competition are two items. First an iron man event is scheduled for individuals who wish to run the entire course themselves and second, new racing canoe categories have been added to increase competition among teams.

Early registration closes on Oct. 1 and a late entry fee will be charged after that date. The Great Race will be limited to 150 teams, so early registration is encouraged.

Participating in this year's great race are the Murgas Radio Club, WEZX Rock-107, the Wyoming Valley Bicycle and Runners Club, the Scranton Kayak Club and the Greater Wilkes-Barre Chamber of Commerce.

Entry forms can be obtained from the Wilkes-Barre Chamber of Commerce or by calling Patrick Lavelle at 961-1150.

## Leskowsky quits PSU football team

Ray Leskowsky, a graduate of Lake-Lehman High School, has quit the Penn State football team.

Leskowsky, a 5-11, 221-pound defensive end had seen little playing time with the Nittany Lions and made his decision to quit the team about two weeks ago.

Leskowsky, 22, lettered in football and wrestling at Lake-Lehman. He will graduate this semester with a degree in administration of justice.

## Martini plays at LCCC

Lisa Martini, a graduate of Lake-Lehman High School, is a member of the 1983 women's volleyball team at Luzerne County Community College.

The Minutemaids under the direction of third-year coach Maureen Dillon, opened their home scheduled game Oct. 1 against Montgomery and Northampton County Community College.

# Back Mountain United is off to a flying start

By SHEILA HODGES

Back Mountain United, the traveling team of the Back Mountain Youth Soccer Association, is off to a flying start and George Lister, the team's coach, is very enthusiastic about his team's most recent victories.

The team, selected from players under 14 years of age, consists of Brad Wall, John Strange, Brent Snowdon, Ron Post, Ricky Parry, Jimmie Lister, Judd Krivenko, Bruce Weaver and D.J. Hopkins, all of Dallas; Rory Connor of Shavertown; Steve Finn, of Harveys Lake; Dan Morris and Dale Root, of Trucksville; Scott Shafer of Lehman; and Paul Malone of Wilkes-Barre. The boys had all played in the Back Mountain Youth Soccer Association last year and was evaluated with the traveling team in mind. Coach Lister expressed some disappointment that no girls were able to be included on the team.

In its first game, United defeated South Parkland of Allentown, 1-0, on a goal scored by Paul Malone. Other players deserving mention for their contribu-

tions to the victory are Steve Finn, goalie; and John Strange, center fullback.

Back Mountain faced the Aurelios of Bethlehem in the second game of the season and grabbed a 5-3 victory. The first goal was scored by Aurelios' Brad Silinteri just eight minutes into the game. That goal was quickly followed by two Back Mountain goals as Paul Malone scored on an assist by Jimmie Lister and Daniel Morris booted one in from an assist by Ricky Parry.

By halftime, the score stood at 4-2 in favor of Back Mountain as Jimmie Lister answered an Aurelios' goal with a score from a corner kick by Ricky Parry and then scored again off a pass by Dale Root.

Lister felt his team played well in both games but said a touch of first-game jitters was felt in the beginning of the season. Now that the team is playing with more confidence, Lister has high hopes for this season.

Back Mountain United's next home game is scheduled for Saturday, Oct. 8 at the Penn State-Wilkes-Barre Campus when the locals will host the East Penn team from Eastern Area.
