## LL students encouraged to apply

Seniors with strong academic records who attend Lake-Lehman High School are encouraged to apply for Commonwealth Scholarships to attend Franklin and Marshall College.

The special scholarship program was created 19 years ago by F&M to aid students from small to medium-sized high schools in Pennsylvania, especially those located in rural areas, to study at Franklin and Marshall, a 1,975 student, private, coeducational, liberal arts college in Lancaster.

Ronald D. Potier, F&M's admissions director, said Lake-Lehman High School is one of 240 Pennsylvania secondary schools cooperating with Franklin and Marshall in recommending students for Commonwealth Scholarships. Seniors at the local school, who are interested in attending a small, high quality, competitive college such as Franklin and Marshall are advised to discuss the scholarship program with their guidance counselors or principal.

Potier said the amount of scholarship aid each student receives as a Commonwealth Scholar is based upon individual need, which can vary from a few hundred dollars to more than \$7,000.

Most Commonwealth Scholars at F&M also hold state grants awarded under the Pennsylvania Higher Education Assistance Agency.
