For Creating The Dog

Lost & Found

System in Luzerne County

Dear Friends,

Believe it or not, the County Treasurer's office sells more than 40,000 dog licenses per year. Because I thoroughly believe that we ought to take government service to the people, I have created a county wide dog licensing sales system. This system gives the people of our county an opportunity to use the services of my office in their own neighborhoods without the cost and inconvenience of traveling to the County Court House.

Our newly created Dog Lost and Found System has been a huge success. I want to continue serving the dog owners of Luzerne County. On Election Day, please support me and the entire Democratic ticket.

Mike Thanks,
Mike Morreale
