Dallas cagers split exhibition games

By CHARLOT M. DENMON
 Staff Correspondent

Coach Clarence Ozgo's Dallas High School cagers opened their exhibition season last Friday with a 65-57 win over Wyoming Area, but were nipped 59-58 in Saturday night's game with Nanticoke.

Despite trailing the Trojans throughout most of the contest at Dallas, the Mountaineers rallied in the closing seconds to come within one point on a two point shot by Ed Gorey. With no time outs remain-

ing, Dallas was unable to get the ball since the Trojans never inbounded in the final seconds and ran down the clock.

It was the Trojans' Paul Guffrovich's foul shot at the five second mark on the clock that gave Nanticoke a three point lead, leaving them one up when Gorey put in his shot.

Dave Thomas set the scoring pace for the Mountaineers with 19 points while Gorey hit 18 and Mark Farrell racked up 17.

In Friday night's game, Dave Thomas hit a game high 26 points

with 12 of them in the third period to give the Mountaineers a 55-32 lead going into the final quarter. Dallas outscored the Warriors, 22-5, in the third quarter.

"We started slow in the Wyoming game," said Coach Ozgo. "But in the third quarter the boys played great defense and a good running game. Throughout the second half, they got on the boards but got a little sloppy toward the end."

"They did the same thing in the Nanticoke game. They started slow, but got going in the second half then ran out of time in the final quarter. Gorey played a good inside game and Thomas and Farrell did a great job on the outside."

"Greg Manusky has just come out after the football season and is doing a fine job. Steve Wilson is doing a good job running the team and when Tim Grove is in condition we should be in great shape. We're hoping for a good season, but we'll take it one game at a time. It's too early to make any predictions."
