## 'Pretty Petals' program helps

Wilkes-Barre General Hospital's Education Department is offering a child education series for elementary age students. Three separate, two-hour programs are scheduled throughout the school

year. One is "Pretty Petals," which is designed for students from kindergarten through third grade. During the program, youngsters view a puppet-slide presentation based on Snow White and the Seven Dwarfs. It features Pretty Petals and her seven brothers, whom the Wicked Stepmother tries to poison in several different ways. Children discuss what a poison is and learn of many household items considered poisonous. A tour of the hospital follows.

According to medical sources, poisoning is the most common medical emergency and the leading cause of death among small children. Poison prevention and education can help children be aware of poisonous products in the home and elsewhere.

"Hospital Readiness," a program which acquaints children with hospital surroundings, and "Tommy Trauma," a program which teaches children how to react to an emergency situation, are also offered. All three awareness programs are offered free of

charge on a rotating basis, every

Wednesday from 9-11 a.m.

For more information on any of the programs, contact General's Education Department.

### Nursery school party planned

The Trinity Nursery School is planning a Valentine party on Tuesday, Feb. 14, with each class planning its own games and activities.

Safety and Community helpers is the theme of the month and many activities and crafts are being planned to coincide with this.

To help explain safety to the children a visit will be made to the school by a policeman, nurse, and a representative from the Wyoming Valley Motor Club. A field trip will be made to a local fire company.

The Trinity Nursery School is a non-denominational school located in the Trinity United Presbyterian Church, Church Street, Dallas.

Further information may be obtained by calling the coordinator Mrs. Donald Lockhart, or the church office 675-3131.
