

Area Offers Much To Newlyweds

(Continued from P. 11)

Social directors are always on hand to keep organized activities lively and often plan side trips, such as to a bowling alley or rifle range.

In addition, the social directors offer many special events. Certain "theme nights" are arranged in which couples may attend a western barbecue or Hawaiian luau. Entertainment is available each night of the week and could include a comedian, singer, magician or jelly dancer.

One of the pleasures of honeymooning in the Poconos is that one price covers everything. The charge that is quoted basically covers the cost of the room, breakfast and dinner daily, nightly entertainment and all facilities. The only additional charges would be for cocktails, gifts that may be purchased and certain sports such as golf or horseback riding.

Whatever a couple's expectations may be, whether for a perfect two-week honeymoon that will be remembered for a lifetime or a week-end alone with each other, the Poconos couples resorts provide just the right setting and mood. For more information on the Poconos couples resorts contact the Pocono Mountains Vacation Bureau, Box K, 1004 Main Street, Stroudsburg, Pa. 18360.
