Area church hopes to raise \$350,000

The start of a major fund raising drive to raise \$350,000 in Gate of Heaven Parish, Dallas, was announced this weekend at all Masses by Rev. William Cusick, Pastor.

According to Father Cusick, funds from the campaign will be used to repay debts incurred this past fall while renovations were made to the church and school buildings as well as for past obligations of the parish.

In his comments, the pastor pointed out the campaign comes at a time when a spiritual renewal program is also taking place in the parish because of the Diocesan Synod. Both the pastor and lay advisory board for the campaign anticipate the two programs will be widely accepted by the members of the parish.

Gate of Heaven Parish was founded 33 years ago by Bishop William J. Hafey and over the years has grown to the present 800 families. The parish is best known for its elementary school which, since its founding in 1952, has educated thousands of children from the back mountain area. This school is staffed by Sisters of Mercy.

The campaign will take seven weeks to complete during which time campaign workers will personally visit each parishioner to ask for their pledge support.

Hospital auxiliary plans card party

Wilkes-Barre General Hospital's Auxiliary is planning its annual card party, to be held Monday, April 30, at 1:30 p.m. at St. Stephen's Episcopal Church, South Franklin Street, Wilkes-Barre.

The card party is one of the Auxiliary's annual fund-raising events. All proceeds are donated to General Hospital to help defray the

cost of various hospital expansion projects, and to help in purchasing new hospital equipment. Men are now active in the Auxiliary as well. Leona Obeld and Alice Biernacki are chairman and co-chairman of the card party.

Featured yearly at the card party is a raffle, during which a trip to Bermuda, a porcelain doll plus \$100 in cash, a basket of cheer, and a

full-sized handmade quilt are given away. Baked goods, jewelry, plants and books are also sold.

Raffle and admission tickets are available from any Auxiliary member and also at the door on April 30. Those attending are asked to bring their own cards to the card party. Mrs. Stanley B. Ushinski is president of the Auxiliary.

Cleaning guide now available

Play cast

Shown here are Princess Winnifred, played by Sue Niskey and her Ladies-in-waiting. From left, Christi Strausser, Marilyn Ward and Kristi Boudreaux. The girls are starring in Dallas Senior High School's presentation of "Once Upon a Mattress" slated for April 5, 6 and 7.

Dallas students present musical

Dallas Senior High School will present "Once Upon A Mattress" on April 5, 6, and 8. The hilarious musical premiered May 11, 1959 at the Phoenix Theatre, New York, starring Carol Burnett and Jack Gilford.

The lavishly humorous musical, "Once Upon A Mattress" is a satirical version of an old fairy tale. It is the "inside" story of what really happened to a legendary princess who couldn't sleep on twenty downy mattresses because of her sensitivity to a single pea placed at the bottom.

The major characters include the

Minstrel played by Mark Rosing, Queen Aggravian by Lynn Todd, Prince Dauntless by Jim O'Connell, and Princess Winnifred by Sue Niskey. Other important characters are played by Juan Fernandez, Paulette Niznik, Amanda Faut, and Tom Krupa.

"Once Upon A Mattress" is under the direction of Donald Hopkins and Florence Sherwood. It will be presented in the Dallas Senior High Auditorium at 8:00 p.m. Tickets will cost \$1.00 per student and \$1.50 per adult. The story of the princess and the pea should be enjoyable to all members of the family.

PG&W visited

Students taking organic chemistry classes at Penn State Wilkes-Barre recently visited the water quality control laboratory of Pennsylvania Gas and Water Company in Scranton. They saw a number of tests being performed as well as the operation of several sophisticated computer-controlled instruments. The Scranton laboratory, which services the entire PG&W service area, is one of only seven of more than 100 in the state which is certified by the Environmental Protection Agency to carry out various pollutant analyses. Dr. Dudley Snyder, chemistry instructor at Penn State Wilkes-Barre, said that the field trip was intended to show the students what takes place in an actual commercial laboratory. Shown in front of Hayfield House before the field trip are, front row, from left: Nancy Gibbons, Sean Moretti, Roberta Schuster, David Leandri, and Debbie Myers. Standing: Dr. Snyder, Paul Buttsavage, Kathy Bernick, Rita Roginski, Joe Dombek, Anthony Maslowski, Paul Bobyak, and Matt Targett. Missing from photo is Amy Loeffland.
