## Lehman's volleyball streak comes to end

The Lake-Lehman boys' volleyball team saw its 25-match winning streak come to an end last Tuesday when it went down to defeat at the hands of Wyoming Valley West in the PIAA District 2 championship game. The Spartans won the match, 15-13, 11-15, and 15-10, and will now compete in the PIAA tournament scheduled for April 27 and 28 at Shippensburg State University.

Valley West took an early 3-0 lead in the first game, but the Black Knights bounced back to tie the score. With the score then knotted at 9-all, Valley West served five straight points and a violation against Lehman on a free ball gave the Spartans their first-game victory.

In the second game, Lake-Lehman's Mike Stash, who finished the game with six points, had five of those points early in the match, putting the Back Mountain boys on top, 8-4.

Valley West then fought back to a 9-8 lead but Greg Javer and Dave Jachimowicz combined to put Lehman over the top.

Lehman enjoyed a 6-4 lead early in the third match, but the Spartans rallied to come back, 8-4. Javer and Chris Kukosky worked together to bring the Knights back to tie the score but two Valley West spikes gave the Spartans the edge in the final match.
