## 21 Lehman students tour Great Britain

Forty people, 21 of them students at Lake-Lehman High School, British Literature instructor Robert Roese and chaperones John Comitz and Darlene Stickler, left Lake-Lehman High School on Wednesday, April 18, via motorcoach for Newark International Airport to embark on a pilgrimage to Great Britain and returned to Lake-Lehman on Thursday, April 26.

The group stayed at the Grosvenor Hotel, 101 Buckingham Palace Road while in London with day trips via British rail into the countryside.

While in London the group saw the Changing of the Guard at Buckingham Palace, Westminster

Abbey, Houses of Parliament, the infamous tower housing the Crown Jewels, the world famous Madame Tussaud's Wax Museum, and attended Easter services at St. Paul's Cathedral, site of the recent royal wedding. They also experienced a medieval banquet at the White Tower Restaurant behind the Tower of London their first night in London.

The day trips into the countryside via British rail included Salisbury, Bath, Warwick, Stratford-on-Avon, Canterbury and Dover. The concept of Chaucer's pilgrimage in his "Canterbury Tales", which the students recently finished studying in school, was fresh in their minds as

they made their own historical pilgrimage from London to Canterbury Cathedral and stand at the Shrine of St. Thomas-A-Beckett martyred by King Henry II.

The group also journeyed to Scotland where they stayed one night at the North British Hotel on Princess Street in Edinburgh. Their first evening in Scotland was marked by a four-course Scottish banquet with Scottish singing and dancing and the Piping of Haggis.

One afternoon was spent touring the medieval section of this unique city of Edinburgh with its famous "Royal Mile" between Edinburgh Castle and the Palace of Holyrood

House where the monarch resides when in Scotland.

The final day of their stay in Great Britain was spent touring the Scottish Highlands renowned to be the most beautiful countryside in all of Europe.

An eight-day pilgrimage to an empire which once ruled the seas, spawned Shakespeare, Milton and Chaucer, bestowed a common law and a Magna Carta as the basis of all constitutional liberty, and initiated the entire concept of university education, seems like a fitting way to end a course entitled "British Literature Survey". Such is the reality for students at Lake-Lehman High School.

## School registration set

The Dallas School District has requested the cooperation of parents who have children of school age who have not been registered for the 1984-85 school year.

Gerald Wycallis, supervisor of instruction, says it is essential that the school district be informed of all new students planning to register, especially the Kindergarten and First Grade students.

Problems occur with class assignments and transportation when students are registered late. He said the Dallas School District encourages parents of new students or those transferring from other schools to register their children immediately.

All Kindergarten through 6th grade students are to register at the Administration Building, Church St., Dallas with Mrs. Farr. Junior and Senior High students will register at their respective school offices located on Conyngham Ave.

Parents must bring birth certifi-

cates, report cards from the previous school, and immunization records. No student will be allowed to enter school without the required immunizations.

If there are any questions, call 675-5201, Ext. 262.
