GREG ROZELE

Rozelle receives awards

Greg Rozelle, son of Mr. and Mrs. Earl D. Rozelle of Lower Demunds Road, Dallas, has been notified by The United States Achievement Academy that he has been named a 1984 United States National Award winner in Mathematics.

The Academy recognizes less than 10 percent of all American high school students.

Greg, a ninth grade student at Dallas Junior High School, was nominated for this National Award by Mrs. Lena Baur, an algebra teacher at the school.

In addition to that award, Greg has also been selected as an Academic All-American through the National Secondary Education Association.

Both awards offer Greg the eligibility to compete for scholarship grants in both the United States Achievement Academy and the National Secondary Education Association.

Greg's grandparents are Mr. and Mrs. Earl D. Rozelle of Scranton and Mr. and Mrs. Chester G. Mercer of Clearlake, California.

Davis named award winner

The Art and Fashion Institutes of Atlanta are pleased to announce the selection of Marcia Davis as one of the Fall Quarter award winners receiving the Merit award.

Marcia is a graduate of Dallas Senior High School, and is in the fifth quarter of the Visual Communications program at the Art Institute.

Quarterly awards are selected by the faculty of each department. Winning entries are awarded the following awards and honors: Merit Award—a student receiving this honor has a slide of their art work placed into the institute's permanent collection. Award of Excellence—the highest honor of award—a student receives a cash prize of \$50.00 and their art work is placed into the institute's permanent collection. The Directors' Award—an award given to the student that actively raises the academic level of performance for their particular program of study.

The Art Institute is a two-year commercial design school offering a specialized Associated of Arts degree in Visual Communications, Photography, Fashion Illustration, Interior Design and an 18-month program in Fashion Merchandising through the Fashion Institute. The Institute is accredited and offers a complete program of scholarship and financial aid packages.

Circle K Club

Shown here are members of the College Misericordia Circle K Club. From left, kneeling, Leah Materna, Charlene Santarelli, Rose Mary Duncklee, Jean Sowa, Jacquie Kmetz and JoLynn Para. Second row, Johanna Chiumento, Sheila Finn, Sister Martha RSM, Georgia Kokos, Scott Clemow, Debbie Parry, Mike Jalowicz, Sue Overmiller and Peg Cartier.

Lehman project named finalist

Lake-Lehman School District has been notified by the Pennsylvania Department of Education that a Junior High School Science program has been selected as the Pennsylvania finalist in the category of Earth & Space Science for the national Search for Excellence in Science Education.

Miss Kathryn Gregory, Earth & Space Science teacher, is responsible for the development and implementation of the program.

The application and program description will be forwarded to the National Science Teacher Association along with applications from other states' programs which will serve as national exemplars.

Circle K Club elects officers

College Misericordia's Circle K Club recently held elections for new club officers for the 1984-85 term. Elected officers are Johanna Chiumento, President, Pittston; JoLynn Para, Vice President, Inkerman; Charlene Santarelli, Secretary, Wyoming; Georgia Kokos, Treasurer, Mickleton, N.J.; and Sue Overmiller, Publicity Secretary, Dallastown, Pa.

The Circle K has been very active throughout the past year undertaking such activities as assisting the Dallas Kiwanis in selling peanuts to raise money for the Red Cross Disaster Relief Fund and helping the King's College Circle K raise

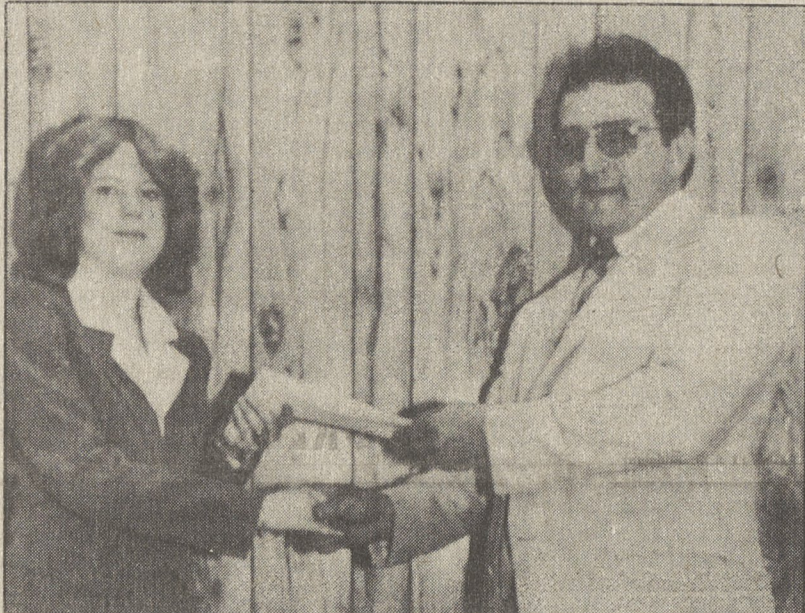

money for the Red Cross by creating and working at the Haunted House. For Halloween, the club threw a party for the residents of the Meadows Nursing Home.

Circle K, along with the Dallas Kiwanis, presented the book, "The Wyoming Valley, An American Portrait" to the Sister Francesca McLaughlin Memorial Library at College Misericordia. For Christmas, the club members hosted a party at the Meadow's Nursing Home. A Valentine's Day party was held at the Veteran's Administration Hospital for the hospice patients. Red carnations were also sold on Valentine's Day at the college for

the Red Cross.

In March, Circle K renovated the Commuters' Lounge in the Administration Building at Misericordia and also attended the 22nd Annual Pennsylvania Circle K District Convention at Johnstown. Seven awards were received for their outstanding achievements.

This club owes many thanks to advisors Peg Cartier and George McCutcheon for their assistance during the past year. Mrs. Cartier was recognized as the outstanding College Circle K advisor at the recently concluded 1984 Circle K Convention at Johnstown.

Bond awarded

The Luzerne County Association of Educational Secretaries recently awarded a \$100 savings bond to Jill Ann Honeywell, above left, business student at Dallas High School. The bond will enable Jill Ann to become a participant in the drawing among area school districts for a \$500 scholarship towards a Business Education. The winner of the scholarship will be determined at the next meeting of the Luzerne County Association of Educational Secretaries to be held May 24 in the Wyoming Area School District. John J. Bançala, above right, business department chairman at Dallas High School, is presenting the bond to Jill Ann. (Photo by Ed Campbell)

Moving-Up Day set

The Dallas Senior High School will hold its annual ninth grade Moving-Up Day on Thursday, May 24, from 8:30 to 10:30 a.m. in the senior high school auditorium.

Moving-Up Day is sponsored by the senior high school guidance department and National Honor Society. It is intended to offer current ninth grade Dallas students an opportunity to become familiar with the high school in order to ease the transition from junior high school to the senior high school.

Planned activities for freshman orientation will include a guided tour of the senior high school by National Honor Society members, discussion of the curriculum and activities offered, introduction to faculty members, a slide presentation, skits, and a question and answer session.

Ninth grade parents are also most cordially invited to attend.

Dallas adopts Holt Series

The Dallas School District has announced the adoption of the Holt Science Series for use in grades one through six. The Holt Science Series, published by Holt, Rinehart and Winston, provides a balanced presentation of life, earth and physical sciences and features the latest technological application of scientific theories.

The series includes an easy-to-follow pupil edition that develops thinking skills and provides activities to help students build better science understanding, and a Teacher's Edition that allows the instructor to adapt the program to his-her own teaching style and needs.

In an effort to respond to the growing public concern for more science instruction and better, more rigorous textbooks, Dallas is excited to be the first school district in the State of Pennsylvania to adopt the Holt Science Series.

Gerald Wycallis, Assistant Superintendent, said "With the present emphasis on Science and Mathematics, the Dallas School District staff members have done an excellent job in selecting the most current and most appropriate science text available. I believe the use of these texts at the elementary level will provide a more positive influence on our excellent secondary science program."

In addition to the textbooks, teachers are provided with "hands on" activities instruction by a Holt consultant, helping the instructor become comfortable with the series.

Banquet held

The Lake-Lehman Key Club held its Parent Appreciation and Installation Banquet recently. The parents of the club members as well as the Back Mountain-Shavertown Kiwanis, who sponsor the club, were invited. The 1984-85 Key Club officers were formally installed by the District 15 Lt. Governor, Terry Finn. The officers are pictured above. From left, Susan Dodson, Treasurer; Eileen Haines, President; Lisa M. Bebey, Secretary. Absent from the photo is Vice-President Stuart Oakley, Jr. The club is also involved in many other activities and will conduct a car wash and bake sale on May 26. They will help the Lehman-Jackson PTA run booths at their annual Spring Fair.

Petrokonis named instructor

Carol G. Petrokonis, OTR-L has been appointed instructor of Occupational Therapy at College Misericordia, Dallas. The announcement was made recently by James Palante, Academic Dean.

A graduate of Temple University with a bachelor of science degree in Occupational Therapy, Ms. Petrokonis has extensive experience in the rehabilitation of the physically disabled.

Her most recent clinical experience has been with the Wyoming Valley Crippled Children's Association. She is a specialist in neurodev-

elopmental and sensory integrative approaches to treating the handicapped child and has extensive post graduate education in these areas. She is currently pursuing a master of science degree in occupational therapy at Temple University.

In her capacity as instructor at Misericordia, Ms. Petrokonis will instruct in the area of intervention with the developmentally disabled, as well as the neurosciences relevant to practice.

Ms. Petrokonis and her husband, Ronald, live with their daughter Erica in Mountaintop.
