School district, Lions join efforts

In cooperation with the Commonwealth of Pennsylvania's Governor, Richard Thornburgh's proclamation concerning Pennsylvania Lions Drug and Alcohol Awareness Program, Lake-Lehman High School enrolled in supporting the Governor and the Lions statewide prevention

program. Involvement and cooperation in this united effort with school officials had a large impact on graduating high school students.

Lions District 14-H Governor Chris Kalmanowicz from Dupont also announced his district's participation in the Lions statewide program. This district encompasses five counties. Lion district activities were coordinated by District Drug Chairman Lion Len Lojewski

of the Dupont Lions Club and were supported by the district's 89 clubs.

The thrust of the Lions program was to encourage a prom-graduation party registration in all of Pennsylvania's 501 school districts. It was overseen by the 17 Pennsylvania Lion District Governors, the District Awareness Chairman and the Awareness Chairman from all of the local clubs.

Homerun Derby is rescheduled

The Back Mt. Jaycees 4th Annual Homerun Derby was postponed on Sunday due to bad weather conditions. It will be held on Sunday, July 8 for boys and girls (7-12) at the Dallas Little League Field.

Applications can still be picked up in Back Mt. stores, restaurants, and at the Dallas Little League Field. Trophies will be awarded to the first, and second place winners in each age group.

Petition circulated

A group of concerned Kingston Township residents are circulating a petition to oppose proposed zoning change of the Trucksville Elementary School, at the meeting to be held on July 2, at 8 p.m. at the Kingston Township Municipal Building.
