Support the Library Auction

The 38th Annual Back Mountain Memorial Library Auction will open tomorrow, July 5, and will continue through July 8.

The auction, which will be held on the auction grounds behind the library building on Main Street in Dallas, will be open during the following hours:

Thursday, July 5, and Friday, July 6, from 6 p.m. to 11 p.m.; Saturday, July 7, from 10 a.m. to noon and from 1 p.m. to closing; and Sunday, July 8, from 1 p.m. to closing.

The auction committee hopes to make this year's event the most successful yet since the library is currently in the process of moving into its new headquarters — the old Dallas Borough School Building. More funds than ever are needed to make this move and to allow the opportunity to continue serving the people of the Back Mountain area in the most efficient manner possible.

The Library Auction, a fun event every year, will feature children's activities, refreshments, a book booth, new and used items and, of course, the auction itself. But, most of all, it provides the people of the Back Mountain area the opportunity to come together for a worthwhile purpose — our library.

Traffic crews prepare for holiday weekend

Increased safety precautions will be used on the Pennsylvania Turnpike during the extended Fourth of July holiday period.

"State Police and toll collection personnel are prepared for the increase in traffic," says Vice Chairman Peter J. Camiel. "They will be particularly on the lookout for drivers who are fatigued or under the influence, and tailgaters.

"State Police patrols will be increased for safety, traffic control and enforcement of the 55-mile-per-hour speed limit. Radar and task force units will be used to full capacity, as well as the utilization of Turnpike Commission safety patrol vehicles.

"Meanwhile, a full complement of service area and emergency service units will be on hand throughout the

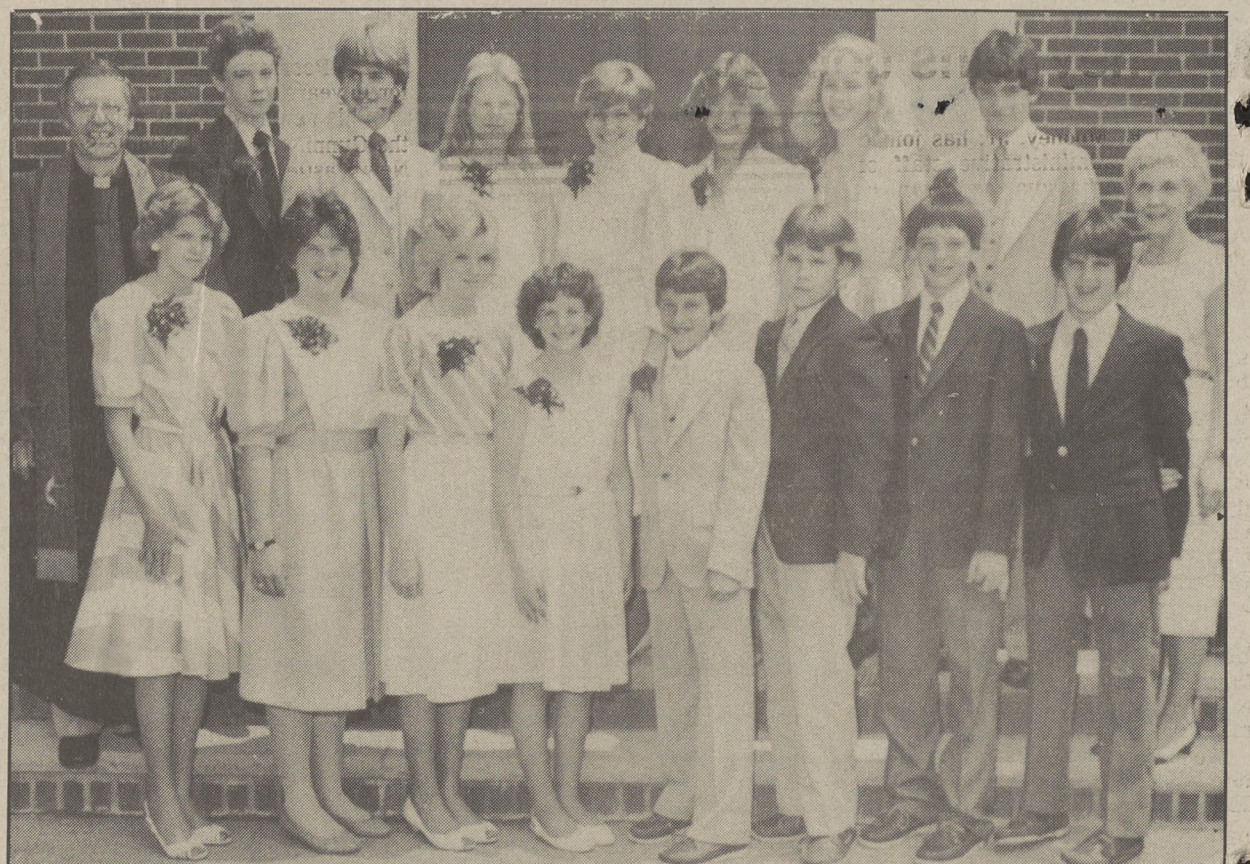

holiday period to assist motorists with disabled vehicles or other problems."

For the holiday, the Turnpike is continuing a policy of banning over-size and overweight vehicles. The Turnpike ban begins at sundown, Friday, June 29 and runs until sunrise, Monday, July 9. It applies to all vehicles exceeding any of the following dimensions or weight: 8½ feet in width, 73 feet in length, 13½ feet in height and 100,000 pounds in gross weight.

"This is one of our Country's greatest holidays," says Camiel, "and we will make every effort to keep Turnpike travel safe and convenient.

"Our monitoring of emergency citizen band radio (Channel 9) transmissions by State Police Troop "T" will be a useful asset in the holiday safety effort.

"It has been in use for nearly four years now," notes Camiel, "and we have found it a valuable aid in picking up information on accidents, vehicle breakdowns, and traffic violations."

Youths confirmed

Fifteen youths were recently confirmed and received into the membership of Shavertown United Methodist Church. Following the service, a reception was held by the Work Area on Evangelism to honor the Confirmation Class. Mrs. John M. Rogers and Pastor James A. Wert were the Class teachers. Shown in the photo are, from left, first row, Allison Berlew, Karyn Klick, Jennifer Jennings, Dena Rebannack, Chris Huey, Eric May, Ronald Post, Alan Landis. Second row, Pastor James A. Wert, Jason Crabtree, Mark Paczewski, Heather Langdon, Melissa Kachmar, Lori Cave, Heather Earnhardt, Raymond Besecker, and Mrs. Betty Rogers.

Name was incorrectly reported

In the special Back Mountain Library Auction edition, published as a supplement to The Dallas Post last week, a name appeared incorrectly in the story about Gert Moss and the Ham 'N Yeggs Club. Mrs. Moss wanted to clarify the fact that it was her husband and Mrs. T.M.B. Hicks who originated the idea of the fund-raising club and not a Mrs. Higgins as was reported.
