Kids do teaching

Students from the Transfiguration School in Tarrytown, N.Y., are shown here as they actually instruct area teachers how to use computers. Shown in the top photo is Joseph Lombardi while Madeleine Pagano is depicted in the bottom photo. The students' presentations were part of a computer clinic conducted last week at College Misericordia.

Book available

A new, free eight-page illustrated booklet entitled "The Story of Willie Bacteria, or 'How to Take Care of Your Septic Tank or Cesspool'" is now available to owners of septic tanks and cesspools from Dallas Agway, 36 Mill St., Dallas, Pa., 18612.

In a light vein, illustrated by cartoons, the booklet explains the workings of the septic tank and cesspool in simplified fashion. It describes the bacterial action of the disposal system and what is necessary for its proper functioning.
