Arch rivals meet

Any athletic match between arch-rivals usually causes some nailbiting and hair-raising. Here, in the photo at left, Candyce Fike, assistant field hockey coach at Dallas, shows what any coach goes through when things just aren't going the way you'd like them to. The photo at right shows Lake-Lehman coach Jean Lipski offering some words of advice to the Lady Knights while the center photo has Lehman's Lori Lopasky, left, chasing an unidentified Dallas stickwoman downfield.

Lehman stickwomen trounce Dallas, 7-0

Kelly Wandel's unassisted goal at the 16:40 mark of the first half was enough to give the Lady Knights a win over the Dallas field hockey team Friday. Goalkeeper Cindy Slocum stopped the Dallas offense while her teammates went on to trounce the Mountaineers, 7-0.

The Lady Knights scored only two goals in the first half, with Susie Slocum scoring, unassisted, at 27:50.

Leading 2-0 at the opening of the second half, Wandel and Slocum each scored an unassisted goal in the second half as their team went wild and scored five goals to pull the 7-0 upset over Dallas, last year's district championship team.

Slocum scored unassisted 4:49 into the second half and Wandel scored her second goal unassisted 14:40 into the second half. Sharon Cross, assisted by Slocum, scored 21:15 into the half. B.J. Sorber, assisted by Wandel, scored 23:30 into the half, and Sandy Diction, assisted by Donna DeGennaro, scored 25:51 into the second half.

Dallas had six shots at goal, Lake-Lehman had nine. Dallas Mountaineers had eight corners, Lake-Lehman, seven. Dallas goalie, Karen Wall had six saves and Lake-Lehman's Cindy Slocum had seven saves.

The loss dropped the Mountaineers to 1-1 with the Lady Knights moving to 2-0.

In the opening league match on September 5, the Dallas Mountaineers blanked Bishop O'Reilly, 5-0, sparked by Jill Radzinski's three goals. Linda King and Eileen Nagy scored the other goals for Dallas.

Radzinski, assisted by Leigh Pawling, scored her first goal 5:50 into the first half, and her second goal at 14:45, unassisted, into the first half. She scored her third goal at 15:45, unassisted, in the second half.

King scored 16:30, unassisted, in the first half and Nagy scored at 22:58, assisted by Long, in the first half.

After the Lake-Lehman match,

Dallas Coach Robyn Jones said she was disappointed and thoroughly frustrated with her girls.

"They watched the Lake-Lehman girls play field hockey while they (Dallas) didn't," Jones said. "My girls did not attack but retreated. At the half it was only 2-0 but the girls weren't rushing. In the second half, I took out the starting 11 and put in my jayvees and the Lake-Lehman

girls ran right through them. The Knights played as a team, my girls played as 11 individuals. The fact that we are young and lack experience is no excuse. If the varsity girls can't follow instructions, I'll try the others."

Jones said she was very impressed with Lake-Lehman's team and is looking forward to meeting them again the second time

around.

Knights Coach Jean Lipski said she was happy with the way her girls played, and was also pleasantly surprised. In the past, Lipski said her players were tense when they went against Dallas, but such was not the case this season.

"They were loose at practice the day before," she said, "And eager to play. They had an excellent

mental attitude. In the game, they were aggressive and kept going for the ball."

Lipski said the secret to Lehman's success to date is that the girls have shared in the playing and put forth great team effort. Three of the girls who scored in the second half were subs off the bench.

The Knights have three tough matches this week going against Valley West, Tunkhannock and

Crestwood.

It was Kelly Wandel who scored the Knights' lone goal in the September 6th match with Nanticoke. The Knights won that game, 1-0. Assisted by Sandy Diction, Wandel scored 21:22 into the first half.

The Knights goalie Cindy Slocum saved two goals to help the Knights in their shutout. Nanticoke's goalie Michelle Kirchner turned away 10 shots in a losing cause.
