**HI FOLKS!** It's really nice to be back following a nice hestful summer. Now that the children are back in school, lots of achievements and accomplishments will be noted. Please call me with these items and let our readers know what is going on with our young people. Also, any church items of special interest, anniversaries or birthdays, just give me a call. I would be glad to share your special day with Post readers.

**A WISH FOR SUCCESS** goes to the Back Mountain School of the Wilkes-Barre Ballet. The school has just opened in the Trucksville Methodist Educational Building. The school offers creative movements for four and five year olds, pre-ballet for six and seven year olds, beginner ballet for eight to 12 year olds and modern tap movement classes for teenagers and adults.
