Band projects are underway

The Lake-Lehman Band Sponsors have begun work on several fall projects.

The band's annual booster weekend has been designated for September 28, 29 and 30. Band members, dressed in band pants, white shirts, and band jackets, will canvass neighborhoods to distribute stickers. Many families prominently display these stickers on a window in their home or car. This year's stickers are designed to honor the band's trip to Montreal, Canada. The ongoing support given to this project is greatly appreciated.
