

Tips For A

HAPPY HALLOWEEN

Try to Trick-or-Treat when it is still light outside.

Wear a costume that makes it easy for you to walk, see and be seen.

If you must go out at night, make certain that your costume is light in color.

Carry a flashlight so you can see and be seen easily.

Use reflective tape on your costume so people driving cars can see you.

A face mask will keep you from seeing well. Take off your mask before you cross a street.

Why not use makeup instead of a mask?
